

Extended Producer Responsibility Plans

Extended Producer Responsibility (EPR) is the responsibility of every producer of Electrical and Electronic Equipments (EEE) for channelization of E-Waste to an authorized Recycler/ dismantler to ensure environmentally sound management of such waste.

We, **M/s BITS N BYTES SOFT PRIVATE LIMITED**, being the producer as per E-Waste (Management) Rules, 2016, hereby pleased to submit our details EPR plan. We being good corporate citizen always give priority to compliance and follow all regulation amended time to time by government authority related to E-Waste management.

Brief on general scheme of collection

We have signed an agreement with **M/S E-WASTE RECYCLERS INDIA** Recycling facilities at Haryana State Pollution Control Board (HSPCB) for management and recycling and disposal of all our e-waste.

- As a part of agreement, **M/S E-WASTE RECYCLERS INDIA** will collect all our E-waste generated from PAN India and disposes the same at their plant at **Shed No.15, Roz ka Meo Industrial Area, Nuh, Haryana**.
- **M/S E-WASTE RECYCLERS INDIA** is a registered and approved E-Waste Recycler by Haryana State Pollution Control Board (HSPCB) and having all connects related to Air/Water/Hazardous waste. They have capacity of **667T/** per annum.
- Keeping in view our sales volume and generation of e-waste as per our future e-waste targets and our expansion plan we have decided to follow these mechanisms in our organization for collection of e-waste.
 - As per our agreement with **M/S E-WASTE RECYCLERS INDIA** if any customer wants to handover their old product they can reach on EWRI Management on Toll Free No **18001025679**. EWRI representatives explain them about process of disposal of e-waste. **Also EWRI** will offer to them incentives, coupon, Buy back scheme on the product. If any customer wants to handover the e-waste from their door steps. The logistics team of **M/S E-WASTE RECYCLERS INDIA** go and collect the items from home and channelize the same to collection centres and on weekly basis they further proceed to final recycling unit in Haryana.

If customers drop the product to nearest collection centre, the waste is channelized to EWRI Haryana unit for disposal.

M/S E-WASTE RECYCLERS INDIA is a registered and approved E-Waste Recycler by Haryana State Pollution Control Board (HSPCB) of E-Waste (Management & Handling) rule's 2016 and is operating a facility for the collection, reception, transportation, treatment and disposal of E-Waste and having their Recycling machinery in Haryana and having all permission related to Air/Water/Hazardous waste. They have a capacity of 667T/per annum.

Do's & Don'ts

Do's

- ⚡ Always look for information on the catalogue with your product for end-of-life equipment handling.
- ⚡ Ensure that only Authorize Recyclers repair and handle your electronic products.
- ⚡ Always call our E-waste Authorize collection Centers/Points to dispose products that have reached end-of-life.
- ⚡ Always drop your used electronic products, batteries or any accessories when they reach the end of their life at your nearest Authorized E-waste Collection Centers/Points.
- ⚡ Always disconnect the battery from product, and ensure any glass surface is protected against breakage.

Don'ts

- ⚡ Do not dismantle your electronic products on your own.
- ⚡ Do not throw electronics bins having "Do not dispose" sign.
- ⚡ Do not give e-waste to informal (Kabbadi) and unorganized sectors like Local Scrap Dealer/Rag Pickers.
- ⚡ Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.

- **M/S E-WASTE RECYCLERS INDIA** has signed an agreement with **OM LOGISTICS LIMITED** for reverse logistics. Copy of Agreement is attached for your kind consideration

Collection Points

We have signed an agreement with **M/S E-WASTE RECYCLERS INDIA** for the collection of e-waste. **M/S E-WASTE RECYCLERS INDIA** has made tie-up with **OM LOGISTICS LIMITED** for collection of e-waste as reverse logistics on PAN India. State wise list is enclosed.

E-WASTE MANAGEMENT

Introduction:

E-waste is a popular, informal name for electronic products nearing the end of their "useful life." Mobile Phones, Smart Phones, Feature phone, I Phones, Laptop, Desktop, Thin Client, Conditioners, Televisions, Refrigerators, Washing Machines, VCDs, stereos, copiers, and fax machines are common electronic products. Many of these products can be reused, refurbished or recycled. E-waste has been one of the fastest growing waste streams in the world. While e-waste contains valuable materials such as aluminium, copper, gold, palladium and silver; it also contains harmful substances like cadmium, lead and mercury. In the absence of proper awareness, disposing e-waste in landfill can result in toxic emissions to the air, water and soil and serious health and environmental hazards.

Under the guidelines of the Ministry of Environment, Forest and Climate Change, Government of India, E-Waste (Management) Rules, 2016 and M/S BITS N BYTES SOFTWARE PRIVATE LIMITED stands committed to implement E-Waste Rules.

We, M/S BITS N BYTES SOFTWARE PRIVATE LIMITED understand there is a need to encourage recycling of all useful and valuable material from e-waste so as to conserve the ever depleting natural resources. Recycling end-of-life discarded products is vital if we are to save resources and minimize landfill. M/S BITS N BYTES SOFTWARE PRIVATE LIMITED undertakes this responsibility and in this regard we have tied-up with one of the leading and authorized e-waste recycler namely E-WASTE RECYCLERS INDIA by facilitating our customers to dispose of e-waste products after its end-of-life.

E-WASTE RECYCLERS INDIA one of the renowned recycler is pioneer of recycling the e-waste in the most organized manner in India. Authorized by CPCB and HSPCB and committed towards Environmental Social & Corporate Governance. They have expertise in assisting Producers in fulfilling their compliance related to EPR and E-waste Management.
