ANNEXURE – 6**EXTENDED PRODUCER RESPONSIBILITY PLAN**

CHAINWAY INDIA PVT. LTD. is concerned for Best Environmental practices and as an Extended Producer assumes its Responsibility towards the environmental laws. We, **CHAINWAY INDIA PVT. LTD.** being the producer of EEE as per E-waste Management Rules, 2016, we are pleased to submit our detailed EPR plan. As per the requirements of new E-waste management Rules, 2016 we have taken various steps to implement the same as per guidelines issued by CPCB. We hereby submit our EPR plan having details about general scheme of collection, channelization plan, RoHS, Awareness compliance and allotted budget for implementation of this EPR plan.

6.1 General Scheme of Collection:

CHAINWAY INDIA PVT. LTD. is taking services of Producer Responsible Organisation named as **Pro Connect** for fulfilment of our Producer Responsibility. Collection and recycling of all our end of life products is handled by **Pro connect**. They have all the necessary agreements signed with collection centres, Dismantlers, Refurbisher and Recyclers for Dismantling / Refurbishing / Recycling of E-waste as per the prescribed guidelines of Central pollution control Board. **Agreement between Pro connect and us are being enclosed as Annexure 10.**

CHAINWAY INDIA PVT. LTD. have customer care number & Toll free no. given on our website as mentioned at point no. 6.3 of this EPR Plan where customer can call or contact us on any working days (10 am – 6 pm) and request for the pickup of obsolete for disposal. Our customer care number is **0124-4000023** & toll free no of **PRO CONNECT** is **1800-843-4443**. Customer can email on **deeksha@chainway.co.in**.

(i) **Details of Collection Centres/Collection Points:**

- (a) We are providing facility to all of our customers which will be run through our below mentioned collection points/centres. **Details of Collection Points are attached as Appendix 1** and our Producer Responsible Organisation known as **Pro Connect**. Our (PRO) is having agreement with DTDC Express LTD. DTDC is providing approx. 11000 collection points which cover almost all major cities, town and rural area of every state in India. Customer can schedule a pick up or drop their end of life product at any DTDC location. Customer can also visit DTDC Website <http://www.dtdc.in/location-finder.asp> and search nearest collection point of DTDC. Agreement copy of DTDC is enclosed as **Appendix-2**. This will ensure that we shall be able to cover all states in India.

Apart from above we are supporting our Reverse Logistic partner through PRO CONNECT in better way, we have appointed below mentioned table in this EPR Plan as collection centres / points under ETCO E-WASTE RECYCLER PVT LTD.

Collection Points Table:

S. No.	State	Area*
1.	Haryana	Gurgaon

* Please refer details regarding Collection Points as per **Enclosed Appendix 1**.

(b) **Take Back / Buy Back Scheme:**

We are introducing various types of methods for the collection of our End of life products (E-waste). Below are the briefs of these methods.

Customers who wants to discard there end of life products (E-waste) can follow the following methods which is applicable throughout India.

- **CHAINWAY INDIA PVT. LTD.** have customer care number & Toll free no. given on our website www.chainway.net where customer can call or contact us on any working days (10 am – 6 pm) and request for the pickup of obsolete for disposal. Our customer care number is **0124-400023** & toll free no of **PRO CONNECT** is **1800-843-4443**. Customer can email on deeksha@chainway.co.in.
- We will reward the customer to encourage with a gift voucher which they can avail for their next purchase for our line of products to promote our E-waste Collection.
- We will also update our website to promote E-waste Collection time to time.
- Depending on the product type, age and condition Pro Connect representative will evaluate the residual value of their electronic product and inform the same to customer.

- 136
- On customer's acceptance of offer, Pro Connect representative will let them know multiple options to handover the product depending on their location and state to choose from i.e. drop the Product at nearest collection point or collection centre of Pro Connect. Customer can also schedule a pick or send the end of life product through Pro Connect's courier and surface cargo partner **DTDC Express Ltd.**
 - DTDC is providing approx. 11000 collection points which cover almost all major cities, town and rural area of every state in India. Customer can also visit DTDC Website <http://www.dtdc.in/location-finder.asp> and search nearest collection point of DTDC. Agreement copy is enclosed as **Appendix-2**.
 - Customer will be paid according to the mode of payment accepted by customer at the time of making request. Multiple options are available to choose i.e.: Paytm, IMPS & NEFT etc.
 - Customer's old **CHAINWAY INDIA PVT. LTD.** line of Product will be Recycled / Refurbished as per E-Waste disposal guidelines.

Here is the link <http://proconnectindia.in> Where all the details are given.

(ii) Details of PROs:

(a) **About Our Producer Responsible Organisation (PRO)**

PRO Connect is faster growing and established network at PAN India level. Their associate Recyclers / Refurbisher and Dismantlers have Recycling / Refurbishing and Dismantling all putting together the capacity is approx. **40190 Metric tons** of E-waste. Pro Connect is covering more than approx. 11000 + collection locations through their tie-ups with courier companies for **Reverse logistics (DTDC Limited as transporter) Attached as Appendix-2**. This will help for buy back & take back arrangements for our customers. We are submitting this statement in front of CPCB after proper evaluation and auditing records of PRO Connect. We have appointed **Pro Connect G-7, New Market Khasa kothi circle, Jaipur-302016 as our Producer Responsibility Organisation. Our Agreement copy is enclosed as Annexure - 10.**

(b) All states are required to be covered:

Yes, with the help of our collection points and our PRO named **Pro connect** network and their tie-up with dismantlers/ recyclers /courier companies as transporter etc., we are able to cover all states in India.

Our PRO has divided whole India in seven zones for our reverse logistic operations. **North East (A), North (B), West (C), Central (D), South West (E), South (F) & Eastern (G)**. Our consumers / customers can call on our/PRO's toll free no. and our PRO's executive will inform them our nearest collection point's address according to the zone. Our Consumer / Customer can also drop the consignment at their nearest DTDC Service Point or request for pick up from their premise. Then the E-waste collected through this channel will send to nearest authorised Dismantler/ Recycler.

For example list of few Collection Points provided by DTDC covering each state and Union Territory of India. These lists have 2 collection points (*as mentioned below*) provided by them

but overall DTDC is providing approx. **11000 collection point** across India. Customer can check their nearest collection point by visiting DTDC Website <http://www.dtdc.in/location-finder.asp> and search nearest collection point of DTDC.
