

Govt. of Haryana

# Let Us Celebrate Pollution Free Diwali In Haryana

**Sh. Manohar Lal**  
Chief Minister, Haryana

**दीपावली मनाने का दस्तूर अब तो बदलना होगा  
उजाला पटाखों से नहीं माटी के दीयों से करना होगा**

## Harmful Effects of Crackers

- 🕯 Release of toxic and dangerous gases i.e. Carbon Monoxide, Oxide of Sulphur & Nitrogen and heavy metals into environment.
- 🕯 Toxic gases and heavy metal result in cancer, kidney damage, heart attack, genetic mutation and various other diseases.
- 🕯 Noise Pollution.
- 🕯 Disturbance to animals.
- 🕯 Fire hazards like burning of property.
- 🕯 It cause respiratory problem and aggravation of Covid-19 Pandemic
- 🕯 Accidents such as damage to eyes, burns to skin etc.
- 🕯 Any violation of orders of Hon'ble NGT will attract penal action.

**Wish You A Happy & Safe Diwali**

**HARYANA STATE POLLUTION CONTROL BOARD**
