

2. Extended Producer Responsibility Plans:

Extended Producer Responsibility (EPR) is the responsibility of every producer of electrical and electronic equipments (EEE) for channelization of e- waste to an authorized dismantler/ recycler to ensure environmentally sound management of such waste.

We, **M/s. Envent World Wide Pvt Ltd.** It takes a lot of make our products and we give it all we have. To ensure quality and performance we start with the best materials sourced from international manufacturers.

Great technology needs great design. It is a relationship that makes both bigger than they are. We ensure design gets top priority. What's happening in the market now, future trends and the rest are monitored. These are clubbed with ergonomics, ease of use and eco friendly practices to ensure we deliver a range that is fantastic inside & out.

QUALITY YOU CAN TAKE FOR GRANTED

While every component, material and input is checked before assembly we ensure that every product checked thoroughly once it is constructed.

Independent testers do this without any bias. They have very high standards and merciless when it comes to making such every model meets their expectation

We, **M/s. Envent World Wide Pvt.Ltd** ensure we minimize our impact on the environment by using **ECO Friendly** materials. Invent in the research of better and more efficient products. And give back to society whenever we can.
