

Extended Producer Responsibility Plan

Brief on General scheme of collection

We have partner with Greeniva Recycler Pvt. Ltd. registered with Uttar Pradesh Pollution Control Board for management recycle and disposal of all e-waste.

- As per a part of agreement Greeniva Recycler Pvt. Ltd. will collect all our e-waste generated from PAN India and dispose the same at their plant at G-284, M.G Road, Industrial Area, Ghaziabad (U.P)- 245101
- Greeniva Recycler, our e-waste management partner is having all authorization related e-waste recycling from UP/CPCB and having all connects related to Air/Water/Hazardous waste. They have capacity of 1500 MT per annum.
- Keeping in view our sales volume and generation of e-waste as per our future e-waste target and our expansion plan we have decided to follow these mechanisms in our organization for collection e-waste
 - As per our agreement with Greeniva's Recycler, is any customer wants to hand over their products they can reach or call our e-waste recycling partners toll free number 1800-102-4919. Our representatives explain them about process of disposals and make them aware about nearest drop point available to drop the e-waste and also give information about incentive we will offer to them against their end of life products. If any customer wants to handover the material from their door steps we do send either our logistics team or Greeniva Recycler team to collect the items and channelized the same to our e-waste partner plant for final processing.

Whether all states covered?

We will cover all states in India.

Specific Collection Schemes (Buyback, Exchange, DRS, etc.);

Buyback:

We will have a mechanism of incentivizing customer wants to return their end of life products (e-waste), whereby any of our consumers wants to discard their products. They call on our E-waste helpdesk. Once any call received by our e-waste helpdesk. Our team directly calls them and makes and agreement to collect the end of life products from their door steps and depending upon life of product. We do incentive our customer.

DRS:

We are not planning yet to implement DRS for our customer we will intimate to Central Pollution Control Board once we will finalized the same.

Exchange:

Exchange facility offer of every customer we will give the some discount (its depend on quality of the old products) for exchange their old products with new products so that customer can take benefits of these scheme and we can easily get all products placed in the market at the end of the life and same will be channelized to recycler for recycling purpose.

Coupons:

We will also offer coupons for our old customers and they can take benefits of the coupons. These coupons can be discounts of specific amount or can be gifts to the customers.

New Product:

After sales, we will regularly offer our customer about the new product availability and offer our customer to exchange their old products.

Proposed Producer Awareness & Allied Initiatives:

Each and every customer is advised and creates awareness about how can be handled the electronic goods and channelized it to be approved e-waste recycler as per E-waste Management Rule 2016. Lack of awareness among various stakeholders about the ill effects of the end-of-life products (E-waste), is the major concern in our country. For reducing the adverse impact on environment and health we need to initiate sustainable mechanism to create awareness among the stakeholders.

EON-ON3 INTERNATIONAL LLP will launch awareness program on environmental hazardous of Electronic Waste under EPR Plan implementation. We are planning to provide financial support for conducting various awareness programs by Academic Institutions Industry Associations and Professional Organizations for organizing workshop/seminars for schools/ college / resident/ welfare association (RWAs) / Bulk Consumers / Regulatory Bodies, Media Engagement etc. So that they can provide information regarding buy back program system of **EON-ON3 INTERNATIONAL LLP** and making campaign material for wide circulation on effect associate with e-waste.

An e-waste awareness manual can be provided to customers for handling e-waste with proper guidelines as per e-waste management handling rules 2016.

We also try to provide awareness to all by the means of social media, like Facebook, and providing advertisement and posters so that each and every customer would be aware about how to handle the e-waste. We will also do following activities:

1. Social Media:

We also try to provide awareness to all by the means of social media, like Facebook and providing advertisements and posters, so that each and every customers would be aware about how to handled the e-waste.

2. Workshop:

We will also conduct region wise awareness program and workshop at specific period of time and invite various stakeholders to attend the same and we spread awareness about the hazardous content contains
