Resubmission of EPR Scheme in Simplified format as Required

Point 6 EPR Scheme Details:

Frigo Glass India acknowledges its responsibilities towards environment protection and scientific E-Waste recycling as a leading seller of specialized cool merchandising solutions. We have drafted a plan to carry out our responsibilities as given below:

1. Collection through Dealers & Collection centers:

Our business model does not use dealers but representative sales office as well as service centers. We will designate all of them as collection /drop off centers for E-Waste. List of such sites enclosed.

2. Buy back & Exchange Schemes

We have designed a comprehensive buy back & schemes that extends to accept all kinds of E-Waste and not only our products. We will upload details on our website and also disseminate information through all our communications with

- Clients & Prospective clients , Vendors & Associates (Invoices, Brochures, E-mail signatures) as well as to
- General Public through insertion into our advertising and marketing messages across various media.
- We will submit details of our buy back & exchange schemes by beginning of Quarter 2, 2018-19

3. PRO

We plan to manage our EPR ourselves. We continue to evaluate PROs that might fit well into our business & EPR models and accordingly join when we find one.

4. Deposit Refund Scheme

We plan to design and implement a deposit refund scheme from next year.

5. Channelizing to Authorized recycler

We have entered into an agreement with leading E-Waste management company , m/s **Green Vortex waste Management Pvt Ltd** enclosed. Also, Our recycling partner has an arrangement with a leading Pan India logistics solutions company (**M/s Om Logistics Ltd**) whose 450+ collection points may be used at drop off points for our customers who wish to send their E-Waste for recycling

6. List with addresses & agreement copies with dealers, collection centers, recyclers, TSDF
Copies Enclosed

Point 7 Estimated budget for EPR & allied initiatives create consumer awareness:

Proposed Awareness Programmes

Each and every customer is advice and creates awareness about how can we handle the electronic goods and channelize it to approved E-waste recycler/dismantler as per E-waste management rules 2016. Lack of awareness among various stakeholders about the ill effects of the end-of-life products (e-waste), is the major concern in our country. For reducing the adverse impact on environment and health we need to initiate sustainable mechanism to create awareness among the stake holders.

Frigoglass India Pvt. Ltd. will launch awareness programme on Environmental Hazards of Electronic Waste under EPR plan implementation. We are planning to provide financial support for conducting various awareness programmes by Academic Institutions, Industry Associations and professional organizations for organizing workshops/ seminars for schools/ colleges/ Resident Welfare Associations (RWAs)/ Bulk Consumers/ Regulatory bodies, media engagement etc. so that they can provide information regarding buy-back programme system of Frigoglass India Pvt. Ltd. and making campaign material for wide circulation on ill-effects associated with e-waste.

1. Seminars/ Workshops:

We will conduct region wise awareness programme and workshops at specific period of time and invite various stakeholders, School, College, institutions, retailers, dealers, bulk consumers etc to attend the same and we spread awareness about the hazardous content contains the electronics goods. We will also educate our stakeholders, School, College, institutions, retailers, dealers, and bulk consumers about benefits of the recycling of electronic goods.

We are planning for conducting seminar/workshops once in a year in metro cities/ small cities/urban areas/ north-east states.

6. Do's & Don'ts

Do's:

- ✦ Always look for information on the catalogue with your product for end-of-life equipment handling.
- ✦ Ensure that only Authorized Recyclers repair and handle your electronic products.
- ✦ Always call our E-waste Authorized Collection Centres/points to dispose products that have reached end-of life.
- ✦ Always drop your used electronic products, batteries or any accessories when they reach the end of their life at your nearest Authorized E-Waste Collection Centres/Points.
- ✦ Always disconnect the battery from product, and ensure any glass surface is protected against breakage.

Don'ts:

- ✦ Do not dismantle your electronic Products on your own
- ✦ Do not throw electronics in bins having "Do not Dispose" sign.
- ✦ Do not give e-waste to informal (Kabbadi) and unorganized sectors like Local Scrap Dealer/ Rag Pickers.
- ✦ Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.
