**Sub: Web Module for Monitoring of CETP on HSPCB Website
 (https://hspcb.gov.in).**

The Web Module for Monitoring of Common Effluent Treatment Plants (CETPs) has been developed on Board's website. This module is developed to get necessary information regarding Common Effluent Treatment Plants (CETPs) from various Regional Offices and Laboratories. The module consists of various items like flow of outlet, flow of inlet of CETP and analysis results of parameters prescribed under EP Rules, 1986. Further, a facility has also been created in portal so that RO could upload/mention the sources of pollution and corresponding action plan along time to be taken for rectification/modification of CETPs. The list of code for each CETP is enclosed herewith. The ROs should get the code created for any new CETP from the IT cell.

Therefore, all lab Incharges should use the Web Facility for uploading the results of analysis for CETPs on the portal of HSPCB.

**Dated the Panchkula
 21st January, 2021**

**S. Narayanan, IFS
 Member Secretary**

Endst. No. HSPCB/WC/ 6653-6682

Dated:- 21-01-2021

A copy of the above is forwarded to following for information and further necessary action please.

1. All Sr. Environmental Engineers/Sr. Scientists
2. All Branch Incharges dealing Consent Management
3. All Lab Incharges
4. All Regional Officers
5. Nodal Officer, Website HSPCB, Panchkula

Teh
**Sr. Env. Engineer (HQ)
 For Member Secretary**
