

M/s. Konica Minolta Business Solutions India Pvt. Ltd.,

Extended Producer Responsibility Plans:-

Brief of GENERAL SCHEME OF COLLECTION:

1. We have agreement in place with an authorized recycler (M/s. Green Vortex). The agency is collecting e-waste from our customer's Place as per the request.
2. We periodically run buyback schemes so as to collect e-waste.
3. The e-waste is also collected through our dealers from their customers and this e-waste is then picked by us through the authorized agency, as per the request
4. The e-waste bins are placed at the customer place for collecting e-waste
5. We have created our own collection centres (list attached)
6. Customer awareness is done through our official website wherein the customer can write and ask us to collect e-waste on his behalf

The contact details (**Toll free number** is 1800 2662 525) through this number customer can reach us for e-waste collection.

Will update the contact details on the website link **bt.konicaminolta.in** so that customer can contact us.

All scheme related to buy back etc., will be shared with the customer time to time to collect the e-waste.

Whether all states are covered:

Physical presence is not available in all states, but toll free number is mentioned in the application for contact us.

Specific collection schemes (by back, exchange DRS, etc.)

Buy back scheme released for collecting the e-waste through buy back scheme we offer some value against the old machine and same we collected as e-waste.

Awareness Plan:

Go Green programme published on official website link is mentioned in the application.
Contact details will be published on product template
Training programme will be arranged.

Resource Life Cycle & e-Waste Generation

E-Waste is generated during various stages of the Resource Life Cycle

Recycler recovers the maximum resources based on their technical capability

Broken Link is a stress on environment Recycling Plant & its resources

KONICA MINOLTA

To,
The Member Secretary
Central Pollution Control Board
Parivesh, Bhawan, East Arjun Nagar
Delhi – 220032

Dated: 08.08.2017

Sub:- Undertaking on RoHS for testing cost.

Dear Sir

We wish to inform you that we did not take RoHS testing cost in the budget, but the cost of RoHS testing will be born by us.

Thanking you,

For Konica Minolta Business Solutions India Pvt. Ltd.

Kuldeep Malhotra
(Vice President –Sales)
