Details of comments / suggestions / objections / views / ideas raised during public hearing.

R.O., HSPCB, Panchkula briefed the public gathering about the project and explained that this is the process that must be followed as per the notification of MOEF to grant the Environmental Clearance. Opinions of the public gathering today will be sent in writing to SEIAA and SEIAA is the final authority if the EC has to be granted or not.

1. **Sh. Haakam Singh S/o Sh. Ram Sawroop, Village. Shamtoo** - what is the duration/lease period of this mining project?

PP replied that as per LOI the lease has been granted for 10 years out of which 7 years are left.

2. **Sh. Haakam Singh** - How much hectare of land acquired and who is the owner of that land, which is proposed for mining?

Sh. Virender Singh Punia, R.O., HSPCB, Panchkula replied that you are requested to ask the queries related to environment and pollution. If, you have any query related to the land acquired and the ownership of the land you are requested to ask for land record in the Tehsildar office.

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula RO Pollution already told you and your suggestions/objections are welcomed related to environment and pollution or any other queries which is affected due to allotment of the project.

3. **Sh. Haakam Singh** - You are requested to take action against the other already operational mines in this area, as they are doing illegal mining in lieu of legal mining.

[Handwritten signatures]

R.O., HSPCB, Panchkula- the Mining officer is to please share the detail of the action taken by the mining department against the violators.

Sh. Omdut Sharma, Mining Officer, Panchkula informed that FIR has already lodged against the units who found doing illegal mining in past.

4. **Sh. Haakam Singh** -This land belongs to hast rat khewat and this land is left out for common purpose by the panchayat but not for the purpose of mining and Panchayat left 20 hectare of land for the development of community Centre and other facilities of the village.

R.O., HSPCB, Panchkula replied that 45 hectare of land is allotted to the agency by Mining Department to do mining in the river land only not in the panchayat land.

5. **Sh. Haakam Singh** - Land is not under the ownership of panchayat and malkiyat of the land is under review in the court and matter is sub-judice in the court.

R.O., HSPCB, Panchkula informed that if land of mining project in question is sub-judice, then you are requested to file a written complaint in the mining office.

6. **Sh. Haakam Singh** - What action you will do if anybody does mining against the norms and conditions granted in the EC and till today what action is taken against the other mining projects allotted adjacent to this proposed project?

Sh. Om Dutt Sharma, Mining officer replied that FIR has already been registered against the defaulting units as per provisions.

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula further added that all action had already taken by the concern departments and no construction is allowed in the river bed and nature of land cannot be changed. Moreover, this public hearing is the part of the procedure to be adopted before the

approval of EC to the mining project and we are here to take your comments / suggestions regarding this project and same will be sent to SEIAA in written and final decision will be taken by SEIAA.

7. **Sh. Haakam Singh** - How much CSR fund is allotted for the development of the villages?

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula informed that CSR fund which is 2% and RR fund of 10% of the royalty deposited.

8. **Sh. Haakam Singh** - What is the status of fund of other mining projects which are already running and how much fund is spent for the development works in effected villages?

R.O., HSPCB, Panchkula replied that the question is not related to this project.

Haakam Singh : previous mining lease holders had not installed RO plant, solar plant and not provided waste collection bins as they promised earlier. He further added that they have already surrendered their mining. You are requested to focus on today's agenda only.

9. **Sh. Haakam Singh** - Out of the total non-mineable area how much area in the riverbed shall be developed as green area?

PP informed that no plantation will be done in the river bed area; however a composite total of 05 ha. of land shall be developed as green belt in various areas in consultation with the local people and other stake holders in the area.

10. **Sh. Haakam Singh** – Whether the Stocking of mined material is allowed to store inside the mining area or not?

R.O., HSPCB, Panchkula replied that they are free to stock any where there is no restriction.

11. Sh. Haakam Singh -What should be the Level permitted and machinery used for mining and how the actual ground level and mined depth will be measured for checking of actual depth mined by the PP?

PP replied that light machineries will be used for mining & JCB will be used for loading. PP further informed that only 01 mtr. dept is permitted.

Om DuttSharma, Mining officer though there is no specific criteria but 2-3 blocks will be left so that they will be used as reference for checking. Only 01 mtr. depth from the ground level is allowed to mine.

12. Sh. Haakam Singh - How many pillars shall be installed in East and West directions as mining site is North to South , during demarcation of the mining lease and what will be the size of the pillars?

PP informed that 34 no of pillars shall be installed to demarcate the mining lease. Pillar will of concrete 02 ft in length to clearly demarcate the lease.

13. Sh. Haakam Singh - There is a bridge between Amrala and Shamtoo, How much distance will be spared in upward direction of this bridge for doing mining activities?

PP replied that it will be 250 mtrs.

14. Sh. Haakam Singh - How many numbers of tress to be planted and how many to be cut down and the places where plantation is being propose. What is the area that will be covered for plantation and how much fund is being granted for CSR?

PP replied that nil tree will be cut down during the mining operations the proponent shall take due care for the same; a total of 3000 plants per year have been proposed over an area of 5 hectare at schools, along the roads and as

panchayat will suggest. For CSR a fund of Rs 2.00 lakhs / yr. shall be used by the project proponent and the same shall be utilized after due discussions and suggestions from the Gram Panchayat and other stake holders.

R.O., HSPCB, Panchkula directed the forest department representative to mark the existing number of the trees in the proposed project area.

Smt. Sandhya, Forest Guard: assured that it will be done. Further, she added that sometimes trees are cut by unknown persons in odd hours from the mining area, as forest department is having shortage of staff; therefore she requested mining contractor to depute his own guards for protection of trees in the mining lease area. Although section 04 had already been imposed in this area and nobody is allowed to cut trees, and permission from the forest department is required for leveling the ground or excavation of mining material.

R.O., HSPCB, Panchkula: asked participants / anybody is requested to report forest department, if any incident of tree cutting is observed so that the necessary action can be taken accordingly by the Forest Department.

15. Sh. Haakam Singh - What action you have taken against the mining projects which were operational but not followed the norms and conditions and no action has been taken on them?

R.O., HSPCB, Panchkula replied that Pollution control Board has issued closure orders against 02 mining projects in past for violations of the provisions of Environmental Norms and further requested District Mining Officer to discontinue their e-ravana from the Portal. District mining officer had lodged a FIR in the name of lease holders for violations as already informed. However, we have recorded your apprehensions in minutes.

Sudhi

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula informed that after lodging of FIR, police department will take action against the violaters.

16. **Sh. Haakam Singh** - Site map and Route map should be provided to them to keep a check on the lease holder.

PP replied that same shall be provided to Gram Panchayat and all other stakeholders before the start of mining activity, route plan will be submitted to you after the approval from the competent authority.

17. **Sh. Haakam Singh** – Asked about the detail of the committee constituted by the govt. for checking of these mining projects? He further requested to constitute a three members committee at village level, in which villagers will be the members.

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula replied that all the committees had already been constituted by the Govt. and they are submitting their monthly report. She further added that no such Gram-Sabha committee is constituted for the village level, only District and state level committee has been constituted by the Govt.

18. **Sh. Haakam Singh** –Which Road will be used for mining vehicles and who will be responsible for the wear and tear of that road?

PP replied that direction will be given by government and we will follow government directions only.

19. **Sh. Kadan Singh S/o Mehar Singh, village-shamtoo-** What is the guarantee of this mining agency that they will do mining peacefully in the area, they will not damage the village roads like others and they will not also work like the others do? They behave nicely here but later on they used to misbehave with the villagers as we are facing this problem since last three years.

R.O., HSPCB, Panchkula informed that if you have any complaint against any running mining project you are requested to submit the complaint in written to the concerned department, you can also file complaint in CM window. He further asked that do you want this mining lease in your area or not? Please give us in written, our duty is to record your apprehensions regarding this mining lease.

20. **Sh. Haakam Singh:** Please give us one week time for submission of our objections regarding this mining lease because its election time now. We want mining site but according to the rules only. Our earlier complaints were not entertained properly even at CM Window.

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula replied that there are so many platforms for filing your grievances and you can approach directly without any restriction.

R.O., HSPCB, Panchkula allowed Sh. Haakam Singh to submit written objections within 01 week in his office.

21. **Sh. Haakam Singh:-** Nil challan / fine was imposed on overloaded vehicles in past.

R.O., HSPCB, Panchkula informed that in every monthly meeting RTO submits his report of challans done on mining overloaded vehicles and there is no doubt in this regard as he also attends the monthly meetings.

22. **Sh. Haakam singh:-** Roads are broken due to overloaded vehicles and excess water sprinkled on roads which causes accidents.

Smt. Manita Malik, Additional Deputy Commissioner, Panchkula replied that your apprehension noted & will be recorded in the minutes for further submission to SEIAA.

Sudh *Sh* *(M)*

23. **Sh. Thakur Singh, Village-Sham too** - whether there will be development in the village after allotment of this mining project like construction of Community hall/center near mining site at village Sham too?

R.O., HSPCB, Panchkula informed that that according to govt. the present land will be use for river bed mining, not for constructing community hall purpose, as and when in future govt. wants to construct community hall here, then the work will be executed accordingly by the concerned department. He further directed the PP i.e. M/s Ganesh enterprises to submit the self-declaration 1.) That they will follow all the norms prescribed for mining projects. 2.) No vehicle shall be overloaded. 3.) Mined material shall not be given to those vehicles which come without proper/adequate tripolin.

The hearing was ended by vote of thanks to the Chair and all the officers and general public for attending the public Hearing.

इलेक्ट्रिक वाहन बनाने वाली कंपनियों को कैपिटल सब्सिडी

प्रदेश में 'वाहन निर्माताओं' को मिलेगा विशेष फूट का 'बोनस'

राज्य सरकार ने इलेक्ट्रिक वाहन निर्माताओं को प्रोत्साहित करने के लिए एक नए प्रकार की सब्सिडी का ऐलान किया है। इलेक्ट्रिक वाहन बनाने वाली कंपनियों को विशेष फूट का 'बोनस' मिलेगा। यह सब्सिडी इन कंपनियों को कैपिटल खर्च को कम करने में मदद करेगी।
