

Action Taken Report of Haryana in matter of OA No. 673 of 2018 “More River Stretches are critically now polluted: CPCB”, reg. Yamuna action plan for the period September, 2019.

The State of Haryana has already submitted Action Plan for control of pollution in River Yamuna before Hon'ble NGT. The progress of the action plan is being reviewed every month by the river Rejuvenation Committee every month. The cumulative action taken report for the month of September, 2019 is summarised in the following paras. Each heading has two parts i.e. A and B. The actions already completed are mentioned in part-A and the action pending or not taken so far have been mentioned in part-B of each heading.

1. Identification of points for untreated discharge.

A. The Irrigation Department has identified all the subdrains joining main drains. These main drains are discharging into River Yamuna. The Latitude/longitude of the points has been given.

B. ROs were already directed in the last meeting to get the quantum of effluent assessed corresponding to various deptt./ agencies at each point given by the Irrigation Department and the quantum of effluent along with the name of responsible department should also be informed. The Irrigation Department was also requested to direct the officers to complete the exercise. So, that the matter could be taken up with the respective HODs of the concerned Departments. It was also recommended that the District Task Forces may link it with the plan prepared for each source and if any point is missing then the plan be prepared. But no report received from ROs.

(Relates to Irrigation Department and HSPCB)

2. Flow of rivers

A. The monthly flow of drains joining river is being measured. The directions have been issued to the Irrigation Department to give the monthly flow for river Yamuna. The locations of drains meeting to rivers, from where the flow is desired have been sent to the Irrigation Deptt. The report for monthly flow for river Yamuna for the month of September, 2019 is received from Irrigation Department.

(Relates to Irrigation Department)

3. Provisions for measurement of flows in all the drain

A. Presently the flow in all the drains/rivers is being measured manually.

B. Permanent flow monitoring stations in all the drains before it outfalls into the river Yamuna and Ghaggar or its tributaries in all the State are to be installed to know the contribution of discharge into the River Yamuna and Ghaggar or their tributaries and record shall be maintained by the concerned department in order to evolve further strategies if required. This direction was issued by the Executive Committee and a reasoned/ justified report is to be submitted to Executive Committee/ NGT.

(Relates to Irrigation Deptt.)

4. Dredging & de-silting/ uncovering of drains in the cities.

A. Action plan has been submitted by Irrigation Department, GMDA and ULBD on this issue.

B. The departments of Irrigation, GMDA and ULB have given the Action Plans for de-silting of drain but the monthly progress reports are not submitted. The Officers of departments of Irrigation, GMDA and ULBD were advised to submit the same by 5th of every month. The Solid Waste is seen dumped in many drains, for which concerned Deptt. have to take preventative and punitive action. The Department was asked to submit ATR in this regard. Further, the Officers of GMDA informed that the storm water drain passing through habitated area is being covered due to safety reasons and they have no plan to uncover the drain in Gurugram. The Officer from GMDA informed that the problems regarding uncovering of the Badshahpur Drain were submitted in Hon'ble NGT.

(Relates to Irrigation Department, GMDA and ULBD)

5. Laying of Sewerage in Approved Colonies

A. The monthly action plan for laying of sewerage has already been submitted to Hon'ble NGT for 35 towns in the catchment of river Yamuna. The targets have already been achieved for Gohana, Jhajjar, Hassanpur, Nissing town upto September, 2019.

B. The monthly plan has not been received for laying of sewerage in Radaur, Nilokheri, Ganaur, Garaunda, Tarori, Karnal and Gurugram town. The progress has been delayed at Palwal, Panipat, Rohtak, Tarou, Sonapat, Yamuna Nagar, Hodal, Punhana and Faridabad. The monthly progress report for the month of September, 2019 is not received for any of the towns except Bahadurgarh, Beri, Jagadhari, firozpur Jhirka, Ganaur, Nuh, Kharkhoda, Samalkha, Sampla. The Concerned Departments i.e. PHED and ULBD have been directed to ensure the submission of their monthly progress reports by the River Rejuvenation Committee but the same is not being received even after multiple reminders.

The time period of the plan is upto 31.03.2021. But the PHED has extended the target date upto 31.06.2021. The target date cannot be extended and needs to be fixed upto 31.03.2021 as already proposed.

The work should be executed on priority in the areas where there is actual release of sewerage and the effluent from such areas needs to be tapped first and diverted to existing sewers. The estimated cost of the project is not received for Asandh, Beri, Gohana, Indri, Nilokheri, Firozpur Zirkha, Taoru, Nuh, Punhana, Hodal, Jhajjar, Kalanaur, Kharkhoda, Ladwa, Samalkha, Sampla, Sohna, Hathin and Hassanpur. The progress report regarding the utilization of funds have not been submitted for Asandh, Bahadurgarh, Beri, Gohana, Indri, Nilokheri, Rohtak, Firozpur Jhirka, Tarou, Yamuna Nagar, Nuh, Punhana, Hodal, Jhajjar, Kalanaur, Ladwa, Samalkha, Sampla, Sohna, Hathin and Hassanpur, Nissing, Gharaunda, Tarori, Faridabad, Karnal, Gurugram.

(Relates to ULBD & PHED)

6. Tapping of Sewage of unapproved colonies to existing sewers.

A. The action plan has already been submitted to Hon'ble NGT and the Progress is as under:

Progress regarding Tapping of Sewage								
Sr. No.	Name of city MC	No. of location	Quantum of effluent to be diverted MLD	No. of location work completed	Quantum diverted	No. Of location where work is under process	No. of location delayed	No. of location work not started

B. The Nodal Officer from ULBD has intimated that they have updated the list of locations/ points for tapping of sewage of unapproved colonies of towns in the catchment of River Yamuna. He was further directed to ensure that all such points have been included in the Action Plan. Further, the monthly progress is desired from ULBD along with the quantum of sewage diverted and connected to existing sewer urgently. Further, tapping of sewage should not be misunderstood with laying of sewers. The tapping is temporary measure and such points should be completed within 3-6 months.

(Relates to ULBD)

7. Action Plan for STPs

A. Total 26 STPs are proposed to be constructed in the catchment of river Yamuna as per the action plan submitted to Hon'ble NGT. The construction of STP has been completed as per proposed plan at Radaur road, Yamuna Nagar, Baddi Majra Gharaunda. New point added are plan not given by Khedki Daula Gurugram, Village Khiwari, Gurugram, Village Khandsa, Gurugram, Mohmadpur Jharsa, Gurugram.

Sr. No.	Name of Department	No. of STPs under construction	Capacity(in MLD)
1	PHED	5	50
2	ULBD	20	174.5
3	HSVP	1	8.3
	Total	26	232.8

B. The construction of STPs has not started at Peerbodhi, Rohtak and Sector- 25, Rohtak as per monthly progress received upto September, 2019. The work has been

delayed at Shiv Colony Karnal, Phoosgarh Karnal, Transport Nagar Karnal, Singhpura, Ferozpur Palwal and Jodhpur Road, Palwal. The monthly plan has not been received for under construction STPs of Sihi, Ghata, Sector-21 Faridabad, Faridabad, Ferozpur Jhirka. The report regarding the progress of work upto Sep, 2019 has not been received for any of the towns where STPs to be constructed except at Radaur Road, Yamuna Nagar, Garhi Bohar and Singhpura Rohtak. The details regarding the estimated cost for construction of STPs is not provided for STPs to be constructed at Radaur Road Yamuna Nagar, Baddi Majra, Gharaunda, Sarai Alawardi, Faridabad and Firozpur Jhirka.

The monthly progress regarding the utilization of funds for construction of STPs is required for STPs to be constructed at Radaur Road Yamuna Nagar, Baddi Majra, Gharaunda, Faridabad and Firozpur Jhirka. The officers of ULBD & HSVP were asked to provide the same urgently. Moreover, the monthly progress of the fund utilization shall also be submitted by the concerned departments.

(Relates to PHED, ULBD and HSVP)

8. Untreated effluent during maintenance/ break down in working of STPs

A. No progress report.

B. Monitoring Committee has flagged an issue that sewage is being by passed during maintenance/ breakdown of STPs and therefore, there should be provisions/ arrangements so that effluent is not bypassed at any time. Officers of ULBD/ PHED were directed to submit the reports after conducting inspection within 15 days in the previous meeting. The plan for un-interrupted operation of STPs during maintenance be given by ULBD/ PHED.

(Relates to ULBD/ PHED)

9. Agriculture Practices

A. No progress report.

B. It was decided in the meetings of the River Rejuvenation Committee that Agriculture and Horticulture Departments have to frame a comprehensive plan for crop diversification and water conserving practices in Agriculture. The outcome of which could be seen on monthly/quarterly basis. The comprehensive plan is required from Agriculture Deptt. and Horticulture Department.

(Relates to Agriculture Deptt. and Horticulture Department)

10. Disposal of sewage through tankers

A. The disposal of sewage through tankers is being done in **Rohtak, Palwal, Kharkhoda, Bhiwani, Gohana, Jhajjar, Samalkha and Sampla**. 32 No. of tankers are approved by ULBD for this purpose. MCG is doing the disposal of sewage through tankers in Gurugram and the monitoring through QR codes is started manually.

B. No report regarding the Monitoring mechanism of the vehicles is provided by ULBD. Member Secretary, HSPCB directed the Regional Officers Faridabad, Gurugram South, Gurugram North and Sonapat that Consent to Operate should not be given to any unit not having the sewer connection.

(Relates to ULBD)

11. Area having no plan for installation of STPs/ CETPs

A HSVP has submitted plan for installation of CETP for Sector-24, Sector-25 Part-1, Part-2 and Sector-29 Part-1, HSVP, Panipat and it shall be commissioned by 2023. Presently, the discharge of these sectors is being treated in the STP of PHED.

B. There is still no clarity between GMDA, HSVP and HSIIDC on who has to prepare the plan for Sector-37, 18 and IDC, Gurugram. Also no plan has been submitted for Industrial area of Hathin. The matter is unresolved from past many months & GMDA/ HSVP/ HSIIDC to expedite the matter and submit report after decision. The representative of Director, Industry was also asked to get matter decided through ACS, Industry as per directions of CS, Haryana.

The MCF had intimated that CETPs to be constructed for Sector-27, A, B, C & D, Sector-24 & 25 at Faridabad by HSIIDC. Further, NIT Faridabad, New Industrial Township, Faridabad is also not having any plan for treatment of industrial effluent and presently the effluent is leading to STP of PHED at Partapgarh. It was advised that the Action Plan for these area be submitted by HSIIDC/ MCF but no report is received, so far.

HSIIDC have taken the decision to transfer the land to MCG for STP of 2 MLD at Mohmadpur. The action plan is to be submitted by MCG.

The HSIIDC has prepared a DPR for the area near Delhi Border in Sonapat District. The same has been sent to Deputy Commissioner, Sonapat for getting it examined and implemented on ground. But no report has been received yet. Now work is to be executed by HSVP. They have not submitted time bound action plan.

MCF has not started work on ground for construction of STPs and everything is on paper so far i.e. Badshahpur, Mirzapur, Badkhal etc. The matter should be expedited.

16. Ground Water

A. Sampling of ground water for designated points is being done.

B. Unregulated abstraction of groundwater by the general public as well as the industry is being observed and thereby causing sewage generation and also leading to depletion of groundwater resources. Also, all the industries located in the catchment of river Yamuna should be allowed to use ground water abstraction for commercial use only with the approval of the Central Ground Water Authority and such industries also be suggested to explore alternate water supply sources (including adoption of low water consuming technologies) without depending on the natural ground water resources. Where, there is a ground water depletion in such areas, the abstraction of ground water resources should be banned in consultation with the Central Ground Water Authority. The regulation of ground water abstraction is not being done and a file is being submitted to the Chief Secretary in this regard.

The status regarding collection of ground water samples by HSPCB is as under:-

Collection of samples of Ground Water

Sr. No.	District	No. of Ground water samples	No. of Points sample collected	No. of points sample not collected

24. Online Portal for submission of monthly ATR on Yamuna

A. The Board has developed online portal for submission of monthly ATR on Action Plans for Yamuna. All the concerned departments have been provided login ID to upload the monthly ATR for the activity in respect of their departments. They should depute concerned field level officers to have training for uploading information online.

B. The departments are not uploading their reports

STPs Under construction:

- **Progress not submitted for the month of September, 2019:-** Gwalphadi, Peer Bodhi Rohtak.
- **Both the plan and progress not submitted:-** Faridabad, Ferozpur Jhirka, Garoli Khurd, Karnal, Suketri, Sihi.

Laying of sewerage:

- **Progress not submitted for the month of September, 2019:-** Ferozpur Jhirka, Nuh, Bahadurgarh.

25. Providing Sewerage connection to households

A. No progress report so far.

B. The PHED and ULBD have to ensure that all the households are connected to sewers for all MCs. The Authorities should also make arrangements to prevent the entry of Solid Waste into sewerage network. The mechanism prepared in this regard need to be submitted by the PHED and ULBD.

(Relates to PHED and ULBD)

26. Action Plan for CETPs

A. Sampling of effluent of CETPs is being done by HSPCB.

B. The CETPs at **Panipat, Kundli, Murthal, Rai and Barhi** do not meet with prescribed standards. The details of shortcomings alongwith Action Plan to remove them is required.

The industries situated in industrial area are operating without consent. The list of industries along with their product is required from HSIIDC for each industrial area so that it could be matched with list of HSPCB to find any industry operating without consent of HSPCB.

(Relates to HSIIDC and HSVP)

27. Industries in non confirming areas

A. HSVP has planned STPs for Sector-25 Part-I & II at Panipat.

B.
