

HARYANA GOVERNMENT
ENVIRONMENT DEPARTMENT

ANNEXURE-IV

37

ORDER

THE 17TH OCTOBER, 2002

No. 16/12/2000- Env. III whereas section 21 of air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981), puts restrictions on the use of certain industrial plants in the Air pollution control areas except in accordance with the procedure prescribed in this regard under the said provisions.

And whereas it is necessary to follow the procedure prescribed by the State Government in this regard for making the necessary inquiry into the applications for issue of consent by the State Pollution Control Board.

And whereas as per Haryana Government Environment Department order No. 16.12.200-Environment III dated 14.7.2000. exemption was given to information Technology industries from the consent management as required under provisions of Section 21 of Air (Prevention and Control of Pollution) Act, 1981 except those units having forging process and units using power generating sets of more than 10 KVA capacity. Such Information Technology Units will provide stack as prescribed by Haryana State Pollution Control Board;

And whereas while amending Information Technology Policy 2000 IT Enabled Services was included with the definition/ scope of IT Industries in a new sub head titled IT Enabled Services incorporating the following form category (M) in Annexure-2 titled. Categories of Industries in the scope/ definition of information technology industry to the IT Policy 2000 .

IT Enabled Service

IT Enabled services are business processes and services the end products/ services of which are :

- * Delivered out side India
- * Delivered over communication networks. and
- * Either externally contracted (out sourced) or provided by a remote subsidiary of the same company (out-located)

Note :Services which would not be included are :

- * Remote production/ manufacturing units
- * The Corporate officers of companies their local branches
- * Virtual business on Internet

Following services, which meet the above criteria, would be included.

- xvi Back office Operation
- xvii Call Centres
- xviii Content Development or Animation
- xix Data Processing
- xx Engineering and Design
- xxi Geographic Information System Services
- xxii Human Resource Services
- xxiii Insurance Claim Processing
- xxiv Legal Database
- xxvi Payroll
- xxvii Remote Maintenance
- xxviii Revenue Accounting
- xxix Supports Centres and
- xxx Web-site Service

And whereas while issuing the amended Information Technology Policy 2000, it has been observed that information Technology Enabled Service, detailed above are not causing any air pollution and there by deserves exemption from the provisions of Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981) except those Information Technology Enabled Services having power generation sets and forging process.

And, whereas the State Government is of the opinion that it is necessary and expedient to make an amendment in the Haryana Government, Environment Department order NO. 16.12.2000. Environment III dated 14.7.2000 for incorporating the information Technology Enabled Services.

Now therefore, in the exercise of powers conferred by clause (B) of sub-section (I) of section 18 of Air (Prevention and Control of Pollution) Act, 1981 and all other powers enabling him in this behalf, the Government of Haryana makes the following amendment in the Haryana Government Environment Department No. 16/12/ 2000-Environment III dated 14.7.2000 namely:-
