Order

Sub: NWMP data and its site information uploading on website of HSPCB.

The data of NWMP stations and its related Information are being uploaded on the website of HSPCB. The results which show pollution need to be addressed. Now a facility has been created in portal of HSPCB so that RO could upload/mention the sources of pollution and corresponding Action Plan along with time to be taken for control of pollution at various sources of pollution.

All ROs are to ensure to upload the details of sources of pollution for respective analysis results for a particular point along corresponding time bound action plan on the portal of HSPCB. The login ID and password have already been provided to each RO.
