

EPR Plan

Brief on General Scheme of Collection:

We have partnered with **SHIVALIK SOLID WASTE MANAGEMENT LIMITED**, Recycler registered with Himachal Pradesh State Pollution Control Board for the environmentally safe and sound management and disposal of all of our e-waste.

1. It is part of our agreement that **SHIVALIK SOLID WASTE MANAGEMENT LIMITED** collects e-waste from the collection centres and carry them to their plant in environmentally safe and sound manner and dispose the e-waste properly.
2. **SHIVALIK SOLID WASTE MANAGEMENT LIMITED** have all the authorization related to e-waste dismantling and disposing from UPSPCB/CPCB and having all connects related to air/water/hazardous waste. Their capacity is 1000 MT/A

Also we have partnered with Logistics Company **OM LOGISTICS LIMITED** for door to door collection of e-waste.

As per our agreement, environmentally safe and sound transportation and handling of all our e-waste collected from door to door service will be done by Logistics and Product Service and Maintenance partners.

As per our agreement with **OM LOGISTICS LIMITED**, if any customer wants to handover their old product they can reach out to us on our **Toll-Free No.+91 18002700268** and register themselves.

Once registered, request for the pick-up will transferred to our Logistics Partner/ Product Service and Maintenance Partner.

The **Toll Free no. +91 18002700268** will be provided in the product brochure and on the marking stickers also.

During the collection of the e-waste, Customer will be provided with the receipt with the product description that can be used to gain the benefits of our e-waste policies/ Schemes

Details of Collection Centre:

The collection centres meant for collection of material from end user and channelizing the same through our e-waste management partner **SHIVALIK SOLID WASTE MANAGEMENT LIMITED**. We will update CPCB time to time detail of our collection centres/Services centres expansion PAN INDIA.

Awareness plans:

We have planned to follow below mentioned to create awareness among our consumers and citizens of INDIA.

- Dealers Meet:** Our aim is to interact with our dealers because they can easily understand and also aware the customers in order to get our product back and creating awareness.

Seminars will be taken on e-waste by our Experienced Person only.

Dealers meet will be scheduled in every 2 months.

Targeted Audience: Dealers and Customers.

Budget- 10,000/-
- Media advertisement:** With the help of industrial magazines we will advertise our product along with our e-waste policies to our consumers who are Government offices and various banking and private sectors (industries)

Target Audience: End customers and product users.

There will be an advertisement every month.

Budget- 10,000/-
- INDUSTRY Forum Sessions:** Participating in the industry forum awareness sessions in collaboration with the Govt. Recognised Associations.

Targeted Audience: Govt. sectors and industrial people.

There will be 3 sessions every year.

Budget- 10,000/-
- Toll Free Service:** We will be having our toll-free service+91 18002700268 for queries related to our products and our e-waste management policies also for registering for e-waste pickup.

Targeted Audience: Indian Citizens

Budget: 10,000/-
- Marking Stickers and User Manual description:**

We will affix E-waste symbol on our product packaging which gives a clear message that the item in the pack cannot be put into the trash bin and should be submitted back to Authorized dealer. Our **toll-free** help line no will also be present in the sticker for the customer through which they can fix door pick up or get information about collection centre.

The same message with brief introduction of e-waste and also our toll-free no. will be provided in the user manual.

Targeted Audience will be the end customer.

Budget: 10,000/-
