

## Extended Producer Responsibility Plan of Oxigen Services India Private Limited

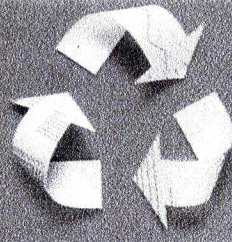

### General scheme of collection: -

**M/s Oxigen Services India Private Limited** is a producer as per E- Waste (Management) Rules, 2016. The said producer is importer and seller of User terminals and systems (**ITEW9**). **M/s Oxigen Services India Private Limited** for managing its Extended Producer Responsibility has made an agreement with **M/s. Hayat E Recyclers Pvt. Ltd.**, Recycler/Dismantler registered with UPPCB for management, collection and dismantling/recycling of all our e-waste.

### Modes of Collection

- As a part of agreement **Hayat E Recyclers Pvt. Ltd.** Recycler/Dismantler collects all our E-waste generated from the collection points and recycle/dismantle the same at their plant at Hapur (UP). Further all process of recycling is done in an environmentally sound manner.
- Hayat E Recyclers Pvt. Ltd. is having an agreement with reverse logistic partner **M/s. Om Logistics Ltd.** for collection and transportation of E-waste in environmentally sound manner.
- **Hayat E Recyclers Pvt. Ltd.** (recycler/our e-waste management partner) is having all authorisation related to e-waste dismantling from UPPCB and having all consents related to Air/water. They have a capacity of 15000 MTA per annum.
- If any customer wants to handover the old product they can easily reach to Collection points and give the EOL products directly or can call on **Toll Free Number 1800 2588 075** for suggestion/clarification as well as for arranging a pick up from our side.
- Customer can get location/state/area wise list of Authorized Dealer/Distributors on **our website <http://www.myoxigen.com>**.
- We are selling/operating all over in India, and we shall use our recyclers/dismantler's logistics partner **M/s. Om Logistics Ltd.** facility for the collection of e-waste from end consumer.
- Collection point list is attached.

### E-WASTE Management Program

Under the new guidelines of the Central Government of India, E-WASTE (Management) Rules 2016 have been notified. **M/s OXIGEN SERVICES INDIA PRIVATE LIMITED** (Company) as an Extended Producer Responsibility (EPR) stands committed to implement new E-WASTE (Management) Rules 2016 and compliance thereof. E-WASTE has been defined as:

"Waste electrical and electronic equipment, whole or in part discarded as waste by the Consumer or bulk Consumer as well as rejects from their manufacturing, refurbishment and repair processes".

Managing of E-WASTE is most important because it consists of harmful substances which can bring adverse effects to the environment as well as human life. By scientific disposal of E-WASTE we can save our environment and also prevent its potential negative consequences on human health. E-WASTE can also be considered as a resource that contains useful material of economic benefit for recovery of plastics, iron, glass, aluminium, copper and precious metals such as silver, gold, platinum, and palladium and lead, cadmium, mercury etc.

### Collection Storage and Disposal of E-WASTE

To facilitate & ease our Customers to dispose of E-WASTE products, Dealers / Distributors / Customers can get all details of company process on collection & disposal of E-WASTE product (i.e. **M/s OXIGEN SERVICES INDIA PRIVATE LIMITED** supplier of POS machine.) on Company website <http://www.myoxigen.com/> and / or Toll free number **1800-258-8075**

### Process of Collection, Storage & Recycling

The company has tied-up with Govt. authorized E-WASTE recycler namely **HAYAT E-RECYCLERS PVT. LTD.** for facilitating the customers on PAN India Basis to collect E-WASTE product of the company through **OM LOGISTICS LTD** corporate office at 130, Ring Road, Transport Centre, Near Punjabi Bagh Flyover, New Delhi-110055

## Proposed and Completed Awareness Programmes by Producer

As per the E-Waste Management Rule 2016, every individual should know how to handle the Electronic waste and how to hand over the same to its recyclers/ Producers. In this context, we **Oxygen Service India Private Limited** has been conducted awareness programmes through many channels like Workshop, Seminars among retailers, distributors, existing employees, new joiners throughout the year. Besides that retailers, consumers get the user manual which has how to handle the E-Waste.

We also try to provide adequate information/awareness to all means by media like Facebook, Posters, E-mails etc. So that customers can get the information about how to handle the E-Waste. We will also do the following activities (List of Training and Seminar is enclosed).

1. **Training**- We provide training of new joiners and existing employees to how to handle E-Waste and how they can make understand customers to handle E-Waster
2. **Seminar**- We conduct Seminars among the retailers through video conferencing.
3. **SMS Alerts**- We use to send SMS to retailers and users stating how to handle E-Waste
4. **E-Mails**- We also use to send email in proper time intervals to make awareness among customers and retailers.
