Questions/Answers session for General Public hearing on 25.10.2023.

After the end of the presentation of the project by the Environment Consultant, Regional Officer, Haryana State pollution Control Board, described the importance of public hearing to the people present during the hearing. After obtaining due permission from the Sub Divisional Magistrate, Indri the question & answer session was started. The Details of question & answers session is as follows:

S.no	Name and address of the stake holder	Question	Reply
1	Brijpal, Village Nangal	He said that he is against the mining operations since the village roads are unfit for transportation. He also said that earlier also mining was done and the contractors mined out more than the depth of 3 meters.	The Environment Consultant replied that no internal roads of the villages will be used and the PP shall create new haul roads which shall not pass through villages. The PP is bound to follow rules and in case they notice any violations the villagers can approach the concerned authorities to report it.
2	VeerBhan, Kamalpur Gadian Village	He asked which khasra numbers from our villages have been demarcated by Mining Department for mining operations, we should be informed about that? He also asked how much money will be provided to	The Environment Consultant showed a copy of Letter of Intent containing the Khasra numbers identified for mining. The land owners informed that compensation &

The SDM, Indri asked the Veerbhan that what he wants. The Veerbhan replied that we want farming on the land.</p>
<p>3</p>	<p>Rampal, Numberdar, Kamalpur Gadian</p>	<p>He said that the mining will lead to destruction of roads in the village. Kids in the village have to go to nearby villages or towns since our village doesn't have higher classes. Our main income source is in form of farming, if all the land is utilised for mining how the villagers will survive? Will the villagers be provided with sand for construction of their own homes?</p>	<p>The Environment Consultant replied that no internal roads of the villages will be used and the PP shall create new haul roads which shall not pass through villages. The landowners shall get the compensation & damages will be payable to the landowners as per the Section 62 of Haryana Minor Mineral Concession, Stocking, Transportation of Minerals and Prevention of Illegal Mining Rules, 2012 read with the Amendment Dated -03.05.2021. PP replied that villagers will be provided with sand for construction for their own homes but not for selling in the market.</p>

4	Naresh Kumar, Sarpanch Kamalpur Gadian	The villagers are dependent upon agriculture and the mining should not be done since it will lead our villagers towards unemployment. What will be benefits to the villagers?	The Environment consultant informed that mining will be done only on the area provided to us by the Mining Department. The PP also informed that if farming is being done on any land where mining has to be done, they will be compensated. Apart from the CSR expenditure of 34 Lakhs PP is also depositing 10% of the annual contract money as R&R fund and DMF, which will be used for the development of the area and villagers can approach the District Authorities for the same. The PP Manjit also said that weight bridge will be installed on some land for weighing purpose. The time of mining will be 07:00 AM to 06: 00 PM. The speed of vehicle will be controlled.
5	Dilbagh Chaudhary, Numberdar, Halwara & Nangal	The PP and its consultant have only informed of all the good things only. However, you check the whole stretch from Delhi to Poanta Sahib, wherever mining is being done, no one follows the rules. The trucks ply without number plates and often cause accidents.	The Consultant informed that this public hearing has been kept to take your suggestions and objections; we EC will be granted at a later stage by SEIAA, Haryana, which will take into consideration of the views/objections

6	Sh Hardik, AEE, HSPCB, Karnal	Inform the public what are the compliances PP has to do even after they have granted EC by Authority.	The Consultant said that PP has to submit Six monthly compliances to authorities, which will outline the status of compliance of the EC conditions, which will be reviewed by them periodically.
7	Sultan Singh, Village Nangal	As already told by the people before me that the village road is not fit for mining. Atleast 500 student use these roads to go the schools in the morning. The truck drivers don't follow the rules which will lead to accidents.	The Environment Consultant replied that no internal roads of the villages will be used and the PP shall create new haul roads which shall not pass through villages. The time of mining will be 07:00 AM to 06: 00 PM. The speed of vehicle will be controlled.
8	Sh Shailender Arora, RO, HSPCB Karnal	He asked a) What is your plantation plan? b) How will you spend the CSR funds? c) What is the provision for dust suppression? d) What sanitation facilities and other facilities will be provided to the labours working in the mine site. e) What measures will be taken for Ambient Air	a) The Total Plantation during the Plan period will be approx. 32,808 plants, which will be planted along the haul road and community area provided by the authorities/ Panchayat. b) The CSR fund of 34 lakhs will be utilized in consultation with the gram panchayat and concerned authorities c) Water sprinkling will
