Proceedings of the Public Hearing

Proceedings of the Public Hearing for Project requiring clearance under Environmental Impact Assessment Notification, 14th September, 2006 (as amended Remediation and Reclamation of Existing Dumpsite and construction, operation and maintenance of "Sanitary Landfill" at Village Khurana Kaithal Haryana by Municipal Council Kaithal on 14/10/2022 at 11:00 AM.

The above project is required to obtain the Environmental Clearance as this project is covered under amended EIA Notification dated 14th September, 2006 of the Ministry of Environment and Forest, Govt. of India, New Delhi. The project proponents have applied for the Environmental Clearance to SEAC Haryana, Government of Haryana and requested to conduct a public hearing. In this regard, an advertisement regarding public hearing notice for publication in leading Hindi and English Newspaper was published by Haryana State Pollution Control Board. The public hearing was conducted on dated 14/10/2022 under the chairmanship of Smt. Sangeeta Tatarwal IAS, Deputy Commissioner, Kaithal, Haryana and alongwith other officers from respective departments. The attendance sheets of the officers and general public who attended the above said hearing are enclosed as Annexure-A & B. The CDs of videography of the entire public hearing are enclosed as Annexure-C.

The following officers were present in the public hearing meeting.

1. Smt. Sangeeta Tatarwal IAS, Deputy Commissioner, Kaithal
2. Sh. Kuldhir Singh, District Municipal, Commissioner, Kaithal
3. Sh. Bhupinder Singh Chahal, Regional Officer, HSPCB, Kaithal
4. Sh. Ravi Oberai XEN Municipal Council Kaithal
5. Sh. Kuldeep EO Municipal Council Kaithal
6. Sh. Raj Kumar Sharma ME of Municipal Council Kaithal
7. Sh. Vikash Kumar JEE, HSPCB Kaithal

Sh. Bhupinder Singh Chahal, Regional Officer, Haryana State pollution Control Board, Kaithal welcome the Deputy Commissioner, Kaithal with all other officers & general public present during the hearing and thereafter sought permission from the Chairman to start the Public Hearing. He briefed about the EIA notification dated 14.09.2006 and process of Public Hearing. He also requested the public to speak one by one and put up their question after the presentation of project and assured the public that their questions will be answered by the Project Proponents. Thereafter he asked the Project Proponent to give presentation of project.

Environmental Consultant Dr. Dharna Tiwari (EIA coordinator) presented the case and explained about the proposed Remediation and Reclamation of Existing Dumpsite and construction, operation and maintenance of "Sanitary Landfill" project as detailed below:

Municipal Council the "Authority" intends for implementation of Remediation and construction, operation and maintenance of Sanitary Landfill at Village Khurana Kaithal Dumpsite ("Sanitary Landfill Site"). As per the current estimates (2021) of the Municipal Council Kaithal, about 82 tons of solid waste is generated daily in Kaithal. The main solid waste generation sources are residential, commercial, food markets, religious place and street sweeping. She detailed about implementation of the project to general public present during the hearing.

After the completion of Presentation by Environmental Consultant Regional Officer, HSPCB asked the general public to raise their Queries/ suggestion which are given as follows:

| S. No. | Name | Village | Question | Reply |
|--------|----------------------------|---|---|--|
| 1 | Sh. Sudesh Kumar | VPO Gadli Patti Koth, Manas Road, District Kaithal. | Employment opportunities should be provided so that it'll be helpful for local people, Waste disposal should be done scientifically and make manure and give it to the local people. | Consultant replied that the Development of project will provide employment opportunity to local skilled, unskilled & semiskilled people during both construction & operation phase. Indirect employment may also generate during construction phase of project and the manure generated from the composting shall be useful for the local people and same will be available for the general public. |
| 2 | Shri. Radha Krishan Sharma | VPO Khurana District Kaithal | What measures shall be taken to control smell problem at site. Earlier everyone was habitual to carry bags for taking anything from the market now everyone prefers to use polybags which is continuously increasing waste. | Consultant replied that the reasonable steps shall be taken to ensure that there is control of odour, dust and treatment generated leachate, flies, rodents and bird menace in and around the. Khurana Dumpsite. Herbal/biological sanitizers will be sprayed over the waste. As per the revised Plastic waste management rules there is complete ban of Single use plastic. We all should follow the same. |
| 3 | Sh. Ishwar Numberdar, | VPO Khurana District Kaithal | Change the location of the dumpsite. | 1. Consultant replied that its already an existing dumpsite, now as per the EIA notification the site will be properly treated as per the rules mentioned in SWM rules 2016. Wastes shall be covered immediately or at the end of each working day with minimum 10 cm of soil, inert debris or construction material. Proper intermediate cover/ monsoon cover and final cover shall be comprised. 2. Trees will be planted under prescribed area which will be cover ~50% of total proposed project area under plantation. 3. Regular sprinkling of water shall be done in the project area to suppress the dust. |
| 4 | Sh. Sheesh Kumar | VPO Khurana District Kaithal | Many dispose the dead animals at the dumpsite which creates lots of problem. | Regional Officer, HSPCB, Kaithal replied that steps shall be taken to stop the disposal of dead animals at site and the site shall be cleared at the earliest along with all the measures. |

Handwritten signature/initials

| | | | | |
|---|-------------------|--|--|---|
| 5 | Sh. Baljeet Singh | VPO Khurana District Kaithal | Remove the existing problem of flies, rodents, smell etc immediately and shifting of site from present place. | Consultant replied that Reasonable steps shall be taken to ensure that there is control of odour, dust and treatment generated leachate, flies, rodents and bird menace in and around the Khurana Dumpsite. Herbal/biological sanitizers will be sprayed over the waste. All the issues of existing dumpsite shall be ended up at the earliest. |
| 6 | Mrs. Neelam | Principal Shamrock School Khurana Road Kaithal | The existing dumpsite is actually creating lots of issues like increase of disease, regular increase of flies and rodents. From many years the work is not completed till now. | Consultant replied that this project is to clear all the legacy waste and proper management of present waste. Objective of Proposed sanitary landfill site is to reduce and convert the existing waste to RDF and Composted fertilizer. This process will reduce odour problem. The scientific processing & disposal of MSW in SLF will reduce the emission of harmful/disease causing gases in the environment. Any emission for discharge from the project will be as HSPCB/CPCB norms and will not cause any harmful impact on environment or residence of the area. |
| 7 | Sh. Jagroop Dhull | Kaithal | No one is doing the actual work at site all are just doing the paper work. We request to start the proper work immediately. | Consultant replied that It shall be ensured by the project proponent that work as per guidelines will be executed at the site and all possible efforts will be done to maintain the clean environment around the landfill site. |

Thereafter, Regional Office, HSPCB, Kaithal again appealed to the general public present during the time of hearing to ask any more questions/suggestions w.r.t. the said project. No more question/suggestion asked by the public present during hearing and thereafter public hearing was ended with permission of the chair.

Vikash Kumar
