

**Extended Producer Responsibility Plan**

**Brief on general scheme of collection**

We have partnered with E-waste Solutions registered with Haryana State Pollution Control Board for management and dismantling/ disposal of all our e-waste.

- As a part of agreement, E-waste Solutions will collect all our E-waste generated from PAN India and disposes the same at their plant at Industrial area1A, Industrial Estate, Sector 6, Faridabad, Haryana – 121006
- E-waste Solutions, our e-waste management partner is having all authorization related e-waste dismantling from HPCB/CPCB and having all connects related to Air/Water/Hazardous waste. They have capacity of **1000 MT** per annum.
- Keeping in view our sales volume and generation of e-waste as per our future e-waste targets and our expansion plan we have decided to follow these mechanisms in our organization for collection of e-waste.
  - As per our agreement with E-waste Solutions if any customer wants to handover their old product they can reach or call our e-waste recycling partner's Toll Free No **1800 123 5313**. Our representatives explain them about process of disposal and make them aware about nearest drop point available to drop the e-waste also give information about incentive we will offer to them against their end of life product. If any customer wants to handover the material from their door steps we do send either our logistics team or E-waste Solutions team to collect the items and channelize the same to our e-waste partner plant for final processing.

## Collection Points/Collection Centres

**E –Waste channelization flow chart**

**Whether all states covered?**

We will cover all the states in India.

**Specific Collection Schemes (Buyback, Exchange, DRS, etc.):**

**BuyBack:**

We will have a mechanism of incentivizing customer who wants to return their end of life product (e-waste), whereby any of our consumers want to discard their product. They call on our E-waste helpdesk. Once any call received by our E-waste helpdesk. Our team directly calls them and makes an arrangement to collect the end of life product from their door step and depending upon life of product. We do incentive our customer.

**DRS:**

We are not planning yet to implement DRS for our customers. We will intimate to Central pollution Control Board once we will finalize the same.

**Exchange:**

Exchange facility is offered to every customer. We will give some discount (it's depends on quality of the old product) for exchange their old product with new product so that customer can take benefits of this scheme and we can easily get all the products placed in the market at the end of the life and same will be channelized to recycler for recycling purpose.

**Coupons:** We can also offer coupons for our old customers and they can take benefit of the coupons. These coupons can be discount of specific amount or can be a gift to the customers.

**New Product:** After sales, we will regularly offer our customer about the new products availability and offer our customer to exchange their old products.

**Note:** We are open to modify or change our estimated budget as per any new guidelines and rules & Regulations of CPCB given by time to time.

### **Proposed Producers Awareness & Allied Initiatives:**

Each and every customer is advice and creates awareness about how can we handle the electronic goods and channelize it to approved E-waste recycler/dismantler as per E-waste management rules 2016. Lack of awareness among various stakeholders about the ill effects of the end-of-life products (e-waste) is the major concern in our country. For reducing the adverse impact on environment and health we need to initiate sustainable mechanism to create awareness among the stake holders.

Profit Free Bazaar Pvt. Ltd. will launch awareness programme on Environmental Hazards of Electronic Waste under EPR plan implementation. We are planning to provide financial support for conducting various awareness programmes by Academic Institutions, Industry Associations and professional organizations for **organizing workshops/ seminars** for schools/ colleges/ Resident Welfare Associations (RWAs)/ **Bulk Consumers/ Regulatory bodies**, media engagement etc. so that they can provide information regarding buy-back programme system of Profit Free Bazaar Pvt. Ltd. making campaign material for wide circulation on ill-effects associated with e-waste.

An e- waste awareness manual can be provided to customers for handling e-waste with proper guidelines as per E-waste management rule 2016.

We also try to provide awareness to all by the means of social media like Facebook, and providing advertisements and posters so that each and every customer would be aware about how to handle the E-waste. We will also do following activities:

**1. Social Media:**

We also try to provide awareness to all by the means of social media like Facebook, and providing advertisements and posters so that each and every customer would be aware about how to handle the E-waste.

**2. Workshops:**

We will also conduct region wise awareness programme and workshops at specific period of time and invite various stakeholders to attend the same and we spread awareness about the hazardous content contains the electronics goods. We will also educate our stakeholders about benefits of the recycling of electronic goods.

**3. Training:**

At the time of sales of the electronic goods, the customer are provide training about how to use that electronic goods and at the end of the life of each products, it should be disposed as per E waste management rule and should not be left in open environment.
