### NOTICE

This is for the information of all the industries/project proponents that Industrial units/projects falling under Red, Orange and Green Categories of consent management of the Board as per order of categorization issued vide Endst. No. HSPCB/PLG/PLG-135/2016/546-572 dated 14.07.2016 and subsequent order Endst. No. HSPCB/2018/517-546 dated 26.02.2018( as amended), are required to be applied to this Board for obtaining consent to establish (CTE) and consent to operate (CTO) under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 and for authorizations/registrations under various Waste Management Rules under Environment (Protections) Rules, 1986 through online portal of Haryana Enterprises Promotion Centre (HEPC).

The Govt. of Haryana is aiming to eliminate the use of physical documents and enables the sharing of verified electronic documents across government agencies and also emphasising that Government's services are made available to citizens electronically to improve efficiency and transparency of services.

It has been observed that in matters pertaining to violation or otherwise, units/project proponents are being given opportunity of hearing before taking any penal action and in number of cases, units/project proponents fail to respond due to non receipt of notices or late delivery of notices to them. Further, email Ids and contact numbers entered in personal details of application forms submitted by some of industries/project proponents on online portal (<https://hrocmms.nic.in>) for obtaining different types of clearances, are not correctly filled and do not belong to any responsible persons of industrial sectors/units which causes communication gap in sending such letters/notices to project proponent.

In view of above, all the units/project proponents requiring clearances under various Acts/Rules from the Board are hereby directed to check their personal details including email Ids and contact numbers in the online portal (<https://hrocmms.nic.in>) and to update the same. In the case of non updation, the units/project proponents will themselves be responsible.

**(S. Narayanan, IFS)**  
**Member Secretary**
