## Extended Producer Responsibility Plan

### Brief on general scheme of collection

We have partnered with E waste Recyclers India registered with Uttar Pradesh State Pollution Control Board for management and dismantling/ disposal of all our e-waste.

- As a part of agreement, E waste Recyclers India will collect all our E-waste generated from PAN India and disposes the same at their plant at E-50, UPSIDC Industrial Area, 98 Km Stone, NH 2, Kosi Kotawan Distt Mathru, U.P. India
- E waste Recyclers India, our e-waste management partner is having all authorization related e-waste dismantling from UP/CPCB and having all connects related to Air/Water/Hazardous waste. They have capacity of **6000** MT per annum.
- Keeping in view our sales volume and generation of e-waste as per our future e-waste targets and our expansion plan we have decided to follow these mechanisms in our organization for collection of e-waste.
  - As per our agreement with E waste Recyclers India, if any customer wants to handover their old product they can reach or call our e-waste recycling partner's Toll Free No **1800 102 5679**. Our representatives explain them about process of disposal and make them aware about nearest drop point available to drop the e-waste also give information about incentive we will offer to them against their end of life product. If any customer wants to handover the material from their door steps we do send either our logistics team or E waste Recyclers India team to collect the items and channelize the same to our e-waste partner plant for final processing.
- E-waste Recyclers India has signed an agreement with **OM Logistics Ltd. for reverse logistics**. Copy of Agreement is attached for your kind consideration.

## E –Waste channelization flow chart

For Shugo Telecom Limited  
*Mil*  
Director

**Whether all states covered?**

Yes, all the states are covered.

**Specific Collection Schemes**

**Buy Back:**

We will have a mechanism of incentivizing our customer who wants to return their end of life product (e-waste), whereby any of our consumers want to discard their product. They can call on our recycler's Toll free number. Once any call received by our representative. Our team directly calls them and makes an arrangement to collect the end of life product from their door step and depending upon life of product, we do incentive our customer.

**Exchange:**

Exchange facility is offered to every customer. We will give some discount (it's depends on quality of the old product) for exchange their old product with new product so that customer can take benefits of this scheme and we can easily get all the products placed in the market at the end of the life and same will be channelized to recycler for recycling purpose.

**Coupons:** We can also offer coupons for our old customers and they can take benefit of the coupons. These coupons can be discount of specific amount or can be a gift to the customers.

**New Product:** After sales, we will regularly offer our customer about the new products availability and offer our customer to exchange their old products.

## Proposed Awareness Plan:

Each and every customer is advice to create awareness about how can we handle the electronic goods and channelize it to approved E-waste recycler/dismantler as per E-waste management rules 2016. Lack of awareness among various stakeholders about the ill effects of the end-of-life products (e-waste), is the major concern in our country. For reducing the adverse impact on environment and health, we are eager to initiate sustainable mechanism to reduce ill effects of the end-of-life products among the stake holders.

Shugo Telecom Ltd. will launch awareness programme on Environmental Hazards of Electronic Waste under EPR plan implementation. We are planning to provide financial support for conducting various awareness programmes by Academic Institutions, Industry Associations and professional organizations for organizing workshops/ seminars for schools/ colleges/ Resident Welfare Associations (RWAs)/ Bulk Consumers/ Regulatory bodies, media engagement etc. Also we will update our website time to time regarding Buy-back programme system of Shugo Telecom Ltd and will make campaign material for wide circulation on ill-effects associated with e-waste.

An e- waste awareness manual can be provided to customers for handling e-waste with proper guidelines as per E-waste management rule 2016.

We also try to provide awareness to all by the means of social media like Facebook, and providing advertisements and posters so that each and every customer would be aware about how to handle the E-waste.
