

Extended Producer Responsibility Plan

Brief on general scheme of collection

We have partnered with E waste Recyclers India registered with Uttar Pradesh State Pollution Control Board for management and dismantling/ disposal of all our e-waste.

- As a part of agreement, E waste Recyclers India will collect all our E-waste generated from PAN India and disposes the same at their plant at E-50, UPSIDC Industrial Area, 98 Km Stone, NH 2, Kosi Kotawan Distt Mathru, U.P. India
- E waste Recyclers India, our e-waste management partner is having all authorization related e-waste dismantling from UP/CPCB and having all connects related to Air/Water/Hazardous waste. They have capacity of **6000** MT per annum.
- Keeping in view our sales volume and generation of e-waste as per our future e-waste targets and our expansion plan we have decided to follow these mechanisms in our organization for collection of e-waste.
 - As per our agreement with E waste Recyclers India, if any customer wants to handover their old product they can reach or call our e-waste recycling partner's Toll Free No **1800 102 5679**. Our representatives explain them about process of disposal and make them aware about nearest drop point available to drop the e-waste also give information about incentive we will offer to them against their end of life product. If any customer wants to handover the material from their door steps we do send either our logistics team or E waste Recyclers India team to collect the items and channelize the same to our e-waste partner plant for final processing.

Proposed Awareness Plan

Each and every customer is advised and creates awareness about how can we handle the electronic goods and channelize it to approved E-waste recycler/dismantler as per E-waste management rules 2016. Lack of awareness among various stakeholders about the ill effects of the end-of-life products (e-waste), is the major concern in our country. For reducing the adverse impact on environment and health we need to initiate sustainable mechanism to create awareness among the stakeholders.

View Paker Technology India Pvt. Ltd. will launch awareness programme on Environmental Hazards of Electronic Waste under EPR plan implementation. We are planning to provide financial support for conducting various awareness programmes by Academic Institutions, Industry Associations and professional organizations for organizing workshops/ seminars for schools/ colleges/ Resident Welfare Associations (RWAs)/ Bulk Consumers/ Regulatory bodies, media engagement etc. so that they can provide information regarding buy-back programme system of View Paker Technology India Pvt. Ltd. and making campaign material for wide circulation on ill-effects associated with e-waste.

1. Seminars/ Workshops:

We will conduct region wise awareness programme and workshops at specific period of time and invite various stakeholders, School, College, institutions, retailers, dealers, bulk consumers etc to attend the same and we spread awareness about the hazardous content contains the electronics goods. We will also educate our stakeholders, School, College, institutions, retailers, dealers, and bulk consumers about benefits of the recycling of electronic goods.

We are planning for conducting seminar/workshops once in a year in metro cities/ small cities/urban areas/ north-east states.

For View Paker Technology India Private Limited

Director

8/12

View Paker Technology India Private Limited

2. Advertisement:

We will spread awareness by all means of social media like Facebook etc. and will provide advertisements through inserting pamphlets & booklets inside the newspaper so that each and every citizen of India would be aware about how to handle the E-waste.

3. Logos:

While packaging the product, we ensure that there will be e waste recycling logos on the packed product.

4. User Guide / Booklet/ Brochures:

It will provide to customers for handling e-waste as far as collection and recycling arrangements with proper guidelines as per E-waste management rule 2016.

5. Summary of Awareness Program:

Particulars	Details
Seminars/Workshops	Once in a Year
Advertisements	Once in a six month
Logos	On packaging of every product
User Guide/ Booklets/ Brochures	Inside every packed product

6. Do's & Don'ts

Do's:

- ✚ Always look for information on the catalogue with your product for end-of-life equipment handling.
- ✚ Ensure that only Authorized Recyclers repair and handle your electronic products.
- ✚ Always call our E-waste Authorized Collection Centres/points to dispose products that have reached end-of life.
- ✚ Always drop your used electronic products, batteries or any accessories when they reach the end of their life at your nearest Authorized E-Waste Collection Centres/Points.
- ✚ Always disconnect the battery from product, and ensure any glass surface is protected against breakage.

Don'ts:

- ✚ Do not dismantle your electronic Products on your own
- ✚ Do not throw electronics in bins having "Do not Dispose" sign.
- ✚ Do not give e-waste to informal (Kabbadi) and unorganized sectors like Local Scrap Dealer/ Rag Pickers.

Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.
