

Brief on General Scheme of Collection

Vivo Mobiles has started selling its mobiles in India since November 2014. The manufacturing unit is situated in Greater Noida, UP. Regular E-waste generated during the manufacturing process is channelized for recycling through our authorized recyclers:

- i) Attero Recycling Private Limited having their recycling plant in Roorkee, Uttrakhand.
- ii) Auctus e-Recycling Solutions Pvt. Ltd., Greater Noida, Uttar Pradesh.

E-waste generated through End of life products/defective mobile phones from end consumers and service waste will be channelized through its existing setup of service centers which will act as **collection points for such products/waste**. At present the total number of collection points is 194 and vivo would be scaling the number to **400 plus collection points by end of March 2018**. List of all the service centers with contact numbers is also available to all the customers who visit vivo's official website. (screenshot of service center search page attached).

Once the collection targets are applicable from 2020, customers will be updated about the offers provided by vivo for collection of the EOL unit.

All the defective mobile phones and service waste collected at these collection points will be shipped to vivo's Greater Noida manufacturing facility and will be finally shipped by Attero to Roorkee to its recycling plant for Recycling. In future when the targets are applicable Attero's collection centers will be utilized for collecting the E-waste generated through EOL products and shipped to its recycling plant subsequently.

Guidelines for Longitude and latitude:

Open Google Maps.

Submit the full location (number, street, city, country).

Right-click the place or area on the map.Type an address in the search field below the map.

Zoom in to get a more detailed view.

Move the marker to the exact position.

The pop-up window now contains the coordinates for the place.

Just copy the values for longitude and latitude

9/16

Write-up regarding PRO

Vivo Mobiles India Pvt Limited has entered into an agreement for Recycling of E-waste with Attero Recycling Private Limited who is an authorized recycler by Uttrakhand Pollution Board Control board under the E-waste Rules 2011 and has applied for renewal of authorization under E-waste (Management) Rules 2016.

Attero Recycling is also operating as our PRO and has a setup of 14 collection centers at present. The E-waste collected from our service centers will be shipped to Attero's collection centers or vivo's factory in Greater Noida and then to Attero's recycling facility at Roorkee for environmentally sound recycling.

Attero will be acting both as our Authorized recycler and Producer Responsibility Organization. Organizational structure of the PRO is attached and also their channelization system from collection center to their recycling facility is attached for your reference.

Address of PRO:

Attero Recycling Private Limited

H-59, Sector 63, Noida, UP – 201301

Contact: Mr Manvendra Vikram Tey

Email Id: Manvendra.tey@attero.in

Collection and Channelization System of PRO

Flow of E-waste from Attero Collection Centers to its Recycling Facility.

Details of proposed Awareness plan

(Covering customers)

- 1) Call center executives will be trained to inform the customers about vivo's e-waste recycling initiative at the end of every conversation and direct them to the nearest collection point for dropping their scrap mobile handsets.
- 2) Awareness regarding the initiative of E-waste Recycling , collection points and other related schemes, when applicable, will be spread through our In-shop promoters who interact with the customers on a daily basis.
- 3) Vivo will also initiate college/educational institution activities for direct consumer awareness as part of various outdoor awareness activities.
- 4) In case customer visits vivo's official website he/she will have access to all the information required for submitting the defective mobile phones to the collection points/service centers.
- 5) Other e-waste specific POP materials will be used to inform the customers on a regular basis about the voluntary E-waste Recycling option available to customers visiting the retail outlets.
- 6) E-Waste Management Page on our website
<http://www.vivo.co.in/E-waste Management/>
- 7) Information provided in the user guide related to E-waste.
- 8) Information in every vivo's newspaper advertisement. We will do the same in magazine ads.
- 9) E-waste symbol used at different places on our product.
- 10) In on-ground activation, we are using a bin at our all service centres.
- 11) On- ground, we will give a leaflet about e-waste along with our product leaflet.
- 12) While giving training sessions to the dealers/retailers regarding the product specifications, we will be telling them about e-waste.

E-Waste Management

At Vivo Mobile India we understand that our responsibility doesn't end at selling you, our products. Vivo Mobile India has been working in the area of safe disposal of electronic waste. This thought is supported by our global policy, as well the legislation passed by the Ministry of Environment and Forests (MoEF)(called E-waste (Management & Handling) Rules, 2016), which came into effect from 1st Oct 2016

- Vivo Mobile India will seek shared responsibility and cooperation from customers in reducing the environmental impact of their products
- Vivo Mobile India will comply with all the applicable laws related to e-waste management Rules 2016(as Amended)

As part of the e-waste recycling initiative, vivo Mobile India Pvt. Ltd. has authorized an e-waste company, named Attero Recycling Private Limited, to collect, dismantle and dispose e-waste – collected from all over India. Attero's vision is to look at e-waste not just as waste, but as an important resource that can be made useful – instead of shunning it as a social and environmental burden with their fully automated facility for e-waste recycling.

For further information about e-waste recycling, and our e-waste recycling partner& their process, you may log on to www.attero.in (<http://www.attero.in/>) or write an email to info@attero.in (<mailto:info@attero.in>) or Call on Toll Free: 1800-419-3283
