Memo No.: DE&CCH/BMW/2020/ 8051

Dated: 24.09.2020

Monitoring of Bio Medical Waste Management in the Haryana State in Connection with Unlock-4 Guidelines in Response to COVID-19 Pandemic.

Kindly refer to the subject cited above.

It is submitted that as per Unlock-4 guidelines issued by Home Secretary, Govt. of India, it has been directed to have a proper management of Bio-medical waste as usage of PPE kits, face masks, gloves etc. at multifarious venues such as homes, airports, offices has increased. The proper disposal and management of bio medical waste is required as it should not become the source of infection.

Therefore, in view of Unlock-4 guidelines, the specific directions be issued to the concerned for the management of Bio medical waste and monitor its management as utmost priority.

Joint Director,  
Environment & Climate, Change Department,  
Haryana
