Whether all states covered?

We will cover all the states in India.

Specific Collection Schemes:

Buy Back:

We will have a mechanism of incentivizing our customer who wants to return their end of life product (e-waste), if any of our consumers want to dispose of their products. They can call us on our toll free number. Once any call received on our toll free number. Our team directly call them and makes an arrangement to collect the end of life product from their door step and depending upon life of product. We do incentive our customer.

DRS:

We are not planning yet to implement DRS for our customers. We will intimate to Central pollution Control Board once we will finalize the same.

E-waste Exchange Scheme:

We will run e-waste exchange program where we will create regular mechanism to our end user to deposit any of their old barcode printer, scanner, PDT etc., we exchange the same by giving some discount.

New Product: After sales, we will regularly offer our customer about the new product's availability and offer our customer to exchange their old products.

Proposed Producers Awareness & Allied Initiatives:

Each and every customer is advised and creates awareness about how can we handle the electronic goods and channelize it to approved E-waste recycler/dismantler as per E-waste management rules 2016. Lack of awareness among various stakeholders about the ill effects of the end-of-life products (e-waste), is the major concern in our country. For reducing the adverse impact on environment and health we need to initiate sustainable mechanism to create awareness among the stake holders.

Great Eastern Idtech Pvt. Ltd. will launch awareness programme on Environmental Hazards of Electronic Waste under EPR plan implementation. We are planning to provide financial support for conducting various awareness programmes by Academic Institutions, Industry Associations and professional organizations for organizing workshops/ seminars for schools/ colleges/ Resident Welfare Associations (RWAs)/ Bulk Consumers/ Regulatory bodies, media engagement etc. so that they can provide information regarding buy-back programme system of Great Eastern Idtech Pvt. Ltd. and making campaign material for wide circulation on ill-effects associated with e-waste.

An e- waste awareness manual can be provided to customers for handling e-waste with proper guidelines as per E-waste management rule 2016.

We also try to provide awareness to all by the means of social media like Facebook, and providing advertisements and posters so that each and every customer would be aware about how to handle the E-waste.

We will also conduct region wise awareness programme and workshops at specific period of time and invite various stakeholders to attend the same and we spread awareness about the hazardous content contains the electronics goods. We will also educate our stakeholders about benefits of the recycling of electronic goods.

6. Do's & Don'ts

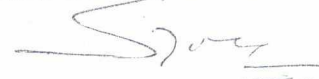

Do's:

- Always look for information on the catalogue with your product for end-of-life equipment handling.
- Ensure that only Authorized Recyclers repair and handle your electronic products.
- Always call our E-waste Authorized Collection Centres/points to dispose products that have reached end-of life.
- Always drop your used electronic products, batteries or any accessories when they reach the end of their life at your nearest Authorized E-Waste Collection Centres/Points.
- Always disconnect the battery from product, and ensure any glass surface is protected against breakage.

Don'ts:

- Do not dismantle your electronic Products on your own
- Do not throw electronics in bins having "Do not Dispose" sign.
- Do not give e-waste to informal (Kabbadi) and unorganized sectors like Local Scrap Dealer/ Rag Pickers.
- Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.
