PUBLIC HEARING FOR ENVIRONMENT CLEARANCE
(As per EIA Notification dated 14th September 2006)

Project Name- "Proposed Sand Mining project at Villages Jarauli, Nabipur, Khirajpur and Mohamadpur, Tehsil: Karnal, District: Karnal, State : Haryana (Mining lease area: 76.90 ha), with Production capacity 2853000 TPA by M/s Tripta projects and Infrastructure through Gurpreet Singh Sabharwal." (TOR Letter No. - "SEIAA/HR/2023/314 dated 23.02.2023")

Date of Public Hearing - 08 May 2023

Place of Public Hearing - Village Jarauli, Karnal.

Public Hearing was conducted by Haryana State Pollution Control Board on 08.05.2023 for "Proposed Sand Mining project at Villages Jarauli, Nabipur, Khirajpur and Mohamadpur, Tehsil: Karnal, District: Karnal, State: Haryana (Mining lease area: 76.90 ha), with Production capacity 2853000 TPA by M/s Tripta projects and Infrastructure through Gurpreet Singh Sabharwal."

Minutes of Public Hearing held on 08.5.2023, at Villages Jarauli,

The Public Consultation (Hearing) was held as a mandatory requirement under EIA Notification dated 14.09.2006 and amended till date. Notice for public hearing was issued by the Member Secretary, Haryana Pollution Control Board Dated 07th April 2022, wherein date of Public hearing was fixed as 08th May 2023. Wide publicity was given to the public through newspapers (English Tribune and Hindi Jagran) and letters to the District Officers & Village Panchayats (Copy of News cutting and notices are attached as **Annexure- A**).

Accordingly public hearing was conducted on 08th May 2023 for Environment Clearance for - "Proposed Sand Mining project at Villages Jarauli, Nabipur, Khirajpur and Mohamadpur, Tehsil: Karnal, District: Karnal, State : Haryana (Mining lease area: 76.90 ha), with Production capacity 2853000 TPA by M/s Tripta projects and Infrastructure through Gurpreet Singh Sabharwal". **The public hearing was attended by the following officers (List attached as Annexure-B):-**

1. Dr. Vaishali Sharma (IAS), ADC, Karnal.
2. Sh. Shailendra Arora, Regional Officer, HSPCB, Karnal, 2nd Floor, SCO-78-79.
3. Sh. Nipun Gupta, AEE, HSPCB, Karnal.
4. Sh. Mukesh Sharma, Forest Department, Karnal.
5. Sh. Rajesh Kumar, DIC, Karnal.

The list of Public attended hearing is attached as **Annexure-C**,

Sh. Sandeep Garg (Environment Consultant), ECO Paryavaran Lab & Consultants Pvt. Ltd. Mohali described the details of Proposed Project, which are as under:

1. The total land of proposed projects is – 76.90 Ha.
2. The total cost of proposed project is 3.9 Crores.
3. The total production capacity of proposed project is 2853000 TPA.
4. Baseline Study of “Proposed Sand Mining project at Villages Jarauli, Nabipur, Khirajpur and Mohamadpur, Tehsil: Karnal, District: Karnal, State : Haryana (Mining lease area: 76.90 ha), with Production capacity 2853000 TPA is conducted by M/s Tripta projects and Infrastructure through Gurpreet Singh Sabharwal”.
5. The total water requirement of proposed project (“Proposed Sand Mining project at Villages Jarauli, Nabipur, Khirajpur and Mohamadpur, Tehsil: Karnal, District: Karnal, State :Haryana (Mining lease area: 76.90 ha) is 8 KLD (for drinking & dust suppression, plantation & source). The project has applied for ground water extraction permission to HWRA vide application no. HWRA/IND/N/2023/5793 dated 25.02.2023.
6. Following control measures will be taken by project proponent:
 - Road will be maintained in good condition by using local earth material.
 - Regular leveling of transportation route.
 - Sand mining will create temporary activity in the dry river bed, which will be replenished during monsoon.
 - The mining will not be carried out below the river water level.
 - Loaded vehicles will be covered with tarpaulin.
 - PUC certified vehicles will be used.
 - Overloading will be avoided.
 - Plantation will be carried out along the approach road and vicinity area.
 - Periodic air quality monitoring will be done and adequate measures will be done.
 - Proper maintenance of vehicles will be done on regular basis.
 - Necessary Personnel protective equipment will be provided to the workers.
 - Adequate silencers will be provided in all the diesel engines of vehicles.
 - Minimum use of horns and speed limit of 10km/hr in the village area.
 - Plantation will be carried out along the approach road and vicinity area.
 - Monitoring of water will be carried out periodically. Water analysis will be carried out seasonally.
 - Regular monitoring of water levels and quality in the existing open wells and bore wells in the vicinity will be carried out.

- River streams will not be diverted to form inactive channels.
- Groundwater will not be intersected during mining activities.
- Mobile toilets will be made available near mine's office away from the river.
- Washing of vehicles in the river will be prohibited.
- Pollutant like dust, gaseous emanations will be minimized at the generation point itself and adequate measures will be taken to prevent their impact on environment.
- There is no forest in the core zone of mining lease area. So, there will be no deforestation due to mining.
- The mining lease area is devoid of vegetation. So, the greenery to be developed under green belt development programme in the village panchayat land and along the approach road will improve the floral environment of the area.
- No mining will be carried out during the monsoon season to minimize impact on aquatic life which is mainly breeding season.
- The lease area is not inhabited by any wild life, as there is no forest cover, hence there will not be any effect on migration or extinction of wildlife.

There were few representations by locals related to issues/ suggestions while public hearing. Pointwise Questions and Reply presented to the Public are given below-

S.No.	Questions	Replies
1	<p>Shri Rakesh Kumar, a representative of Sarpanch of Village Nabipur told the Project Proponent that day before Public Hearing date he came to know about the conduction of Public Hearing. He then asked what measures the project proponent will take to minimize the noise generation due to use of pressure horns during vehicular transportation and generation of air pollutants during mining activities. He told that many years ago in 1982 the Sandhali Mine caused harmful effect to Bundh/embankment as 40 % of that mine area falls in Bundh. Also the Embankment was ruptured. Land owners lost their</p>	<p>Reply by Project Proponent- Project proponent has informed that through Haryana State Pollution Control Board, the advertisement for public hearing information was published in "The Tribune" and "Dainik Jagran" on 7th April 2023. And also announcements for the same was arranged by us throughout the villages. He apologized if somehow, someone couldn't be informed. And to minimize the impact of noise pollution during vehicular transport, Use of pressure horns, will be prohibited/minimized to the extent possible. And to minimize the impact of air pollutants during mining activities, proper mitigation measures like sprinkling of water on haul roads, regular maintenance of vehicles, use of tarpaulin covered trucks etc. will be adopted.</p> <p>He said that the Sandhali mines project in 1992 is not related with our sand mining project. In</p>

	<p>livelihood, land fertility has hindered and children of landowners did not get any job.</p>	<p>our case, land owners will be compensated and with their consent only, the mining lease area was proposed for sand mining. And land owners will be compensated annually. They will provide the employment to the eligible candidates from the nearby villages.</p> <p>He has informed that due to sand mining activities, the agricultural land will be reinstated. Earlier the floods has encroached the agricultural fields but due to the proposed sand mining activities de-siltation of the riverbed will take place so that the river water will not enter the agricultural fields or habitation anymore.</p>
2	<p>Sh. Krishan Kumar, Sarpanch, Village Kherajpur - whether the consent for sand mining has been taken from villagers. He told the Project Proponent that day before Public Hearing date he came to know about the conduction of Public Hearing. Also, he raised apprehension regarding the diversion of river flow in 1982 towards the agriculture land due to proposed mining activities. If there will be no stone pitching done, we will submit the application to Irrigation Department and Worthy ADC, Karnal. We are not satisfied. He submitted a representation attached as Annexure-D. Village Nabipur Sarpanch also submitted the representation attached as Annexure-E.</p>	<p>Reply by Project Proponent- He submitted that through Haryana State Pollution Control Board, the advertisement for public hearing information was published in news papers and also announcements for the same was arranged by us throughout the villages. The sand mining will be done in such a way that the river water will not flow outwards and instead the proposed sand mining activities will be done in such a way that de-siltation of the riverbed will take place so that the river water will not enter the agricultural fields or habitation anymore which was earlier happened during the flood times. The stone pitching work relates to Irrigation Department.</p>
3.	<p>Sh. Sachin Sharma, Jarauli - The land of farmers will be damaged.</p>	<p>Reply by Project Proponent - The mining will be done in river bed allotted by Mining Department.</p>
4	<p>Sh. Sachin Sharma, Jarauli - What employment will be given</p>	<p>Reply by Project Proponent - Employment will be given to the eligible candidates from</p>

	to the villagers by the project proponent	the nearby villages
5	Sh. Shailender Arora, RO, HSPCB, Karnal – How much employment will be given to the villagers by the project proponent.	Reply by Project Proponent – Nearly Employment will be given to the 60 no. candidates from the nearby villages. Govt allotted land will be used for Mining.
6	Shri Jagat Singh of Village Jarauli told that 6-7 nos. Village houses on the main internal road of the village will be affected due to transportation by trucks and accidents of children may be happened during school time or otherwise.	Reply by Project Proponent- He said the new road will be identified outside the village phirmi with the help and agreement of the village people. Vehicular transportation will be kept less during opening and closings hours of school and other necessary care will be taken during transportation. He also assured that the young people of these villages will be given the work of drivers of tractors/tucks to transport the material.
7	Sh. Shailender Arora, RO, HSPCB, Karnal has asked about the plantation schedule, CSR activities proposed and facilities like toilet for workers	Reply by Project Proponent- In consultation with sarpanch/ panchayat/ state authorities about 4000 plants/year will be planted along the roads, in schools, public buildings and wherever suggested by committee of villagers, so that all the villagers get benefited. Under CSR activities programmes like Health check up camps for villagers will be organized, Donation/ scholarships to students for higher education will be given, Donation for mass marriages will be given and Free of cost sand will be provided to villagers for constructional activities in the villages. He also informed that Mobile toilets and septic tank will be provided to the workers working in our mine site.
8	Sh. Ajit Singh, Village Jarauli has said that village will gain from the project and project should start soon. He said the that villagers will get free sand for constructing houses, Trees will be planted and the employment will be generated by the proposed mining project.	Reply by Project Proponent- He reiterated that the villagers will get free sand for constructing houses, 4000 Trees /year will be planted and the 60 no. employment will be generated by the proposed mining project.
9	Sh. Shailender Arora, RO, HSPCB, Karnal has asked	Reply by Project Proponent- He said that the 3-4 nos. of mobile toilets will be provided at

	about the facilities for the toilets of Labours/employees and disposal of domestic effluent.	the mining site and the effluent will be disposed off through registered septic tank.
10	Dr. Vaishali Sharma, IAS, ADC Karnal instructed the project proponent that environment should not be damaged with the mining activities and provision for Digital library to kids in the villages should be explored and proper mitigation measure for flood management should be adopted. Also, measures for safe transportation of material through trucks to be adopted for avoiding any accident. No problem regarding safety to school children should be occurred. The project must be mutually beneficial to project proponent & local People.	Reply by Project Proponent- Proper mitigation measures will be adopted to minimize the impact of mining activities on the environment. They will try to provide the Digital library to the village children. For flood management, sand mining activities will lead to de-siltation, which will minimize the flood chances, also bunds/ embankment funds from irrigation department will be arranged. Also, alternate route outside the village phirmi will be identified for transportation. All the control measures mentioned in plan will be adopted.
11	Sh. Milap Chand , Nambardar of Village Jarauli told that there will be chances of flood after the mining activity and the compensation of the mining project will not given timely.	Reply by Project Proponent- He said that the land owners will be compensated and with their consent only, the mining lease area was proposed for sand mining. Land owners will be compensated annually. Further, the sand mining will be done in such a way that the river water will not flow outwards village and instead the proposed sand mining activities will be done in such a way that de-siltation of the riverbed will take place so that the river water will not enter the agricultural fields or habitation anymore which was earlier happened during the flood times
12	Sh. Brahmjeet, Nambardar of Village Jarauli said that there will be no negative impact on villagers and the environment. Permission has been taken from various departments for proposed mining project and mining will be done only in auctioned areas where consent has been taken from land	Reply by Project Proponent- I thanked the villager for welcoming the project.

Shore

owners, which is having much distance from village Bandh and will not damage the village. I am thankful to all.	
---	--

At the end, during public hearing, it was observed that participants from nearby villagers were satisfied with the answer given by the representatives of projects proponent regarding questions raised by the participants.

Sh. Shailender Arora, Regional Officer, HSPCB, Karnal Region thanked the public for attending the public hearing.

The Public hearing was concluded with the vote of thanks to the chair.

सेवा में

श्रीमान

विषय :- गाँव जडौली व खिराजपुर में खनन रुकवाने बारे।

श्रीमानजी,

निवेदन यह है कि गाँव खिराजपुर व जडौली के पट्टना के खनन में खनन का कार्य की अनुमति दी जा रही है जिसका बहुत ज्यादा जान-माल का नुकसान है क्योंकि 1978 में हमारे व आप-पक्ष के गाँव में बाढ़ की भयानक स्थिति बनी थी जिससे बाँध टूट गया था उससे बाद भी बाढ़ की स्थिति बनी क्योंकि उत्तर दिशा की तरफ भूजकृत ठोसकर (रोक) बनी है जहाँ हरियाणा की तरफ कुछ नहीं है केवल बाँध है। खनन की स्थिति से हमारे गाँवों की तरफ पानी का प्रभाव पन जायगा। हमारे गाँवों का 40% के ज्यादा खनन बाँध के अन्दर आता है जिससे मुक्ति योग्य अग्नि का पट्टना की चपेट में आ जायगा। उता प्रभाव से अनुभव है कि इस खनन कार्य को रोकवाकर गाँव के जान-माल व मुक्ति अग्नि की रक्षा की जाय।

श्रीवा में,

उपायुक्त महोदय जी,

विषय - गांव नबीपुर में खनन करवाने बारे।

श्रीमान जी,

निवेदन यह है कि गांव नबीपुर के चमूना के रुबे में ईत की खान लगाई जा रही है जिसका गांव नबीपुर को बहुत बड़े लेवल पर नुकसान है क्योंकि सन् 1978 में हमारे गांव में बाढ़ की प्रभावक स्थिति बनी थी जिससे बांध टूट गया था उसके बाद भी कई बार बाढ़ की स्थिति बनी क्योंकि उत्तर प्रदेश की उर्षा हमारी तरफ कर्तव्य होकर (आ) है। खनन के कार्य के बाद चमूना की स्थिति नबीपुर की तरफ प्रभावक बन जायगी। हमारे गांव की 40% रुबा इमि योग्य इमि चमूना बांध के अन्दर आती है जिससे इमि योग्य इमि चमूना नदी के पानी की चपेट में आ जायगी। अतः जनाब से अनुरोध है कि इस खनन कार्य को रुकवा कर गांव के जान-माल व इमि इमि की रक्षा की जाय।
