Sub: Clarifications regarding EIA Notification 1994, and its subsequent amendments

Sir,  
This has reference to your letters no. HSPCB/ 2003/1020 dated 12.9.03, HSPCB/2003/1286 dated 18.9.03 and HSPCB/2003/1730 dated 17.11.03 on the above mentioned subject. In this connection, it is clarified that:

- (i) Bulk drugs and pharmaceuticals are covered under Schedule I of the EIA Notification and require environmental clearance under the EIA Notification. Manufacture of herbal extracts does not require environmental clearance under the EIA Notification.
- (ii) The projects which are not covered under 3(b), i.e. those listed at S.No 6,7,8,11,12,14,15,18,20,22,23,24,26,28,29 and 30 of Schedule I, are covered under the EIA Notification, irrespective of their cost.
- (iii) Schedule I of the EIA Notification includes Raw skins and hides. Thus, irrespective of the process, any unit dealing with raw skins and hides requires environmental clearance under the EIA Notification.

Yours faithfully,  
G.V. Subrahmanyam
