Sub: - Minutes of the meeting held on 27.10.2025 at 10:00 AM in the CS Committee Room, Haryana Civil Secretariat, 4th floor, Chandigarh under the Chairmanship of Chief Secretary, Haryana regarding control of pollution in River Yamuna.

Kindly refer to the subject noted above.

In this connection, I have been directed to enclose the copy of minutes of the meeting held on 27.10.2025 at 10:00 AM in the CS Committee Room, Haryana Civil Secretariat, 4th floor, Chandigarh under the Chairmanship of Chief Secretary, Haryana regarding control of pollution in River Yamuna for your information and further necessary action please.

DA/As above

Superintendent (WC)
For Chairman

Subject: Minutes of the meeting held on 27.10.2025 at 10:00 AM in the Main Committee Room, Haryana Civil Secretariat-1, 4th floor, Chandigarh under the Chairmanship of Chief Secretary, Haryana regarding control of pollution in River Yamuna

The list of the participants is as per **Annexure-I**

At the outset, Chairman, HSPCB welcomed all the participants and apprised that the meeting is being convened to prepare a road map to tap all the sources of pollution entering into 11 drains further leading to river Yamuna by connecting these sources with existing STPs/CETPs, construction of new CETPs/STPs and specifying timelines for completion for the same. It was further informed that for identification of pollution sources in 11 drains, these have been allotted to the various departments in the meeting of ACS environment held on 23.09.2025. Nodal officers for each drain have also been nominated by the concerned departments.

The Chief Secretary, Haryana apprised that Central Government is very serious in the matter and meeting regarding control of pollution in river Yamuna has been held under the Union Home Minister on 19.09.2025 and cleaning of river Yamuna has been kept at the top priority. Thus, there is need to be more vigilant regarding step to be taken by the State of Haryana for its mitigation.

Annexure-2 of the agenda was taken up for discussion. The data regarding water quality in terms of BOD, quantity of treated/untreated effluent into each drain, number and capacity of existing STPs/ CETPs, under construction STPs/ CEPTs, number of tapping points identified by the departments and number of industries and their discharge with respect to each of the following drains was discussed in detail.

- i. Dhanaura Escape
- ii. Drain no. 2
- iii. Drain no. 6
- iv. Mungeshpur drain
- v. KCB drain
- vi. Drain no. 8
- vii. Leg-I drain
- viii. Leg-II drain
- ix. Leg-III drain
- x. Budhiya Nala
- xi. Gaunchi drain

After detailed deliberation, it was decided as under

1. All the Nodal Officers nominated by the concerned departments shall go through the data with respect to quantity of treated/untreated effluent into each drain, number and capacity of existing STPs/ CETPs, under construction STPs/ CEPTs, number of tapping points identified by the departments and number of industries and their discharge and interaction may be made with the department, whose data is found

incomplete or no data is provided by them. They should identify the reasons for high value of BOD in the drain/pollution source and action required to address this.

2. All the action points as mentioned in Annexure-2 shall be reviewed by the Nodal Officer on weekly basis.
3. HSPCB shall make whatapp group of all the Nodal Officers and responsible officers of the various departments to get instant information on any point relating to pollution in any drain/ river Yamuna.
4. Subcommittees under the Chairmanship of Deputy Commissioner of concerned district may be constituted and Nodal Officer with respect to the concerned drain shall be the Member Secretary of the subcommittee.
5. Monthly meeting under the Chief Secretary, Haryana shall be held to review the progress in the matter. The Nodal Officers of each department shall ensure their presence in each meeting to be held under CS, Haryana.
6. A booklet regarding the water pollution in river Yamuna and drain wise steps to be taken for its mitigation with respect to each of 11 drains shall be prepared by HSPCB before 04.11.2025 i.e. before the next meeting to be held at New Delhi by the Central Government

List of Participants of meeting held on 27.10.2025 at 10:00 AM CS Committee Room, 4th floor, Chandigarh under the Chairmanship of Chief Secretary, Haryana regarding steps to be taken to improve water quality of river Yamuna
